RE: MINUTEMEN

ROBERT B. DE PUGH

stressed the need for additional recruits in the Minutemen organization as well as in the Patriotic Party. De Pugh indicated to the group in attendance that the Minutemen would be needed when the Communists take over the United States and explained that only through unity would the Minutemen be effective.

According to CG T-1, De Pugh discouraged individual "home defense."

De Pugh told the assembled group that he would soon be going to jail and had resigned his position with the Minutemen recently. De Pugh indicated that he would remain active in the Patriotic Party to such a degree as possible with his contemplated incarceration in mind.

De Pugh indicated he contemplated returning to Kansas City on March 19, 1967.

CG T-1 related that immediately after the public meeting terminated a business meeting, which was attended by approximately 75 persons, was held at the Teutonia Club and the business meeting terminated at approximately 6:30 PM. CG T-1 advised that Robert De Pugh was the main spokesman at the business meeting of the Patriotic Party.

Sergeant [redacted] 19th District, Chicago Police Department, advised on March 19, 1967, that the 19th District covers the area where the Teutonia Club is located. [redacted] advised that there were no incidents or arrests in connection with the meeting of the Patriotic Party at 3730 North Clark Street on March 19, 1967.

b6  
b7C

On March 20, 1967, CG T-2, an individual with whom insufficient contact has been had to establish reliability, advised that he was in attendance at the meeting of the Patriotic Party at the Teutonia Club, Chicago, Illinois, on March 19, 1967. CG T-2 advised he has been a member of the Minutemen organization since July, 1966.

RE: MINUTEMEN

ROBERT B. DE PUGH

CG T-2 related that approximately 125 to 150 individuals were present at the public meeting of the Patriotic Party and approximately 60 individuals attended the business meeting of the Patriotic Party which was held immediately following the public meeting.

CG T-2 advised that De Pugh indicated that he had resigned his position as head of the Minutemen and would confine his future activities to his work with the Patriotic Party. De Pugh indicated that the Chicagoland area does not have any leaders in either the Patriotic Party or the Minutemen, nor do those who are sympathetic to the goals of the Minutemen-Patriotic Party appear to have any plans for any future action.

De Pugh further advised that the Patriotic Party should seek to obtain additional recruits and expressed the belief that the Patriotic Party was a most essential element in attempting to protect the United States from Communist takeover. De Pugh further related that the Minutemen are also necessary in order to insure that the political aims of the Patriotic Party are capable of being carried out.

De Pugh stressed to those in attendance at the business meeting that it was absolutely essential that individuals interested in furthering the objectives of the Patriotic Party-Minutemen should volunteer their services so some results could be achieved. De Pugh solicited volunteers from those present. CG T-2 advised that no one indicated any interest in volunteering their efforts to further the causes of the Patriotic Party or the Minutemen at the public meeting.

CG T-2 advised that in August, 1966, the Patriotic Party held a meeting at the Sheraton-Chicago Hotel in Chicago which he attended. CG T-2 advised that other than the meeting held at the Sheraton-Chicago in August, 1966, no meetings or gatherings of individuals of the Patriotic Party or the Minutemen have been held in the Chicago area.

CG T-2 advised that it is his opinion the meeting held at Chicago on March 19, 1967, was completely ineffective in obtaining volunteers to start an effective organization of either the Patriotic Party or the Minutemen in the Chicago area.

RE: MINUTEMEN

ROBERT B. DE PUGH

CG T-2 advised that in his opinion most of those in attendance were individuals of extreme conservative political opinions. He advised that notices of the meeting were distributed or mailed to individuals in the Chicago land area who were believed to be sympathetic to the objectives of the Patriotic Party.

CG T-2 advised that donations were made by persons in attendance to help defray the expenses incurred by De Pugh in coming to Chicago.

CG T-2 advised that the Minutemen as well as the Patriotic Party does not at the present time appear to have any chance of forming an effective organization in the Chicagoland area. He indicated his belief was based on the fact that neither the Minutemen nor the Patriotic Party has any leaders, money, plans or organization in the Chicagoland area.

CG T-2 indicated his belief that he would be aware of any future plans of either the Minutemen or the Patriotic Party, if such should develop, in view of his accepted membership in the Minutemen.

CG T-1 advised on March 20, 1967, that he had learned that many of the individuals in attendance at the Teutonia Club on March 19, 1967, were persons who were members of or sympathetic to the objectives of the American Nazi Party (ANP), the National States' Rights Party (NSRP) and the Ku Klux Klan.

A characterization of the ANP, the NSRP and the United Klans of America, Inc., Knights of the Ku Klux Klan, is attached hereto.

All sources utilized to characterize the ANP, the NSRP and the United Klans of America, Inc., Knights of the Ku Klux Klan, have furnished reliable information in the past.

APPENDIX"MINUTEMEN"

The "Minutemen" was organized in June, 1960, Its present headquarters are Norborne, Missouri, and ROBERT B. DE PUGH, Norborne, Missouri, is the national coordinator. Statements by DE PUGH and literature distributed by the organization in the past indicated its purpose to be the resistance to, and exposure of, the spread of communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

The Kansas City Star Newspaper, Kansas City, Missouri, has on numerous occasions, carried various articles concerning DE PUGH and the "Minutemen," wherein it was stated that members of the organization participate in maneuvers utilizing guerrilla tactics with machine guns, mortars, grenades, and other firearms.

DE PUGH has publicly stated on numerous occasions that the "Minutemen" as an organization does not buy or store arms or ammunition; however, the individual members of the organization maintain arms and ammunition, which is their constitutional right.

"Minutemen" literature mailed to members in the past has furnished instructions in the use of explosives and has also given details for the making of explosive compounds from such readily accessible ingredients as a common fertilizer, ammonium nitrate.

In May, 1966, a confidential source advised that ROBERT B. DE PUGH, in a recent message to the national coordinators of "Minutemen," announced the "Minutemen" organization was being divided into two separate bodies. One group to be composed directly of members who have been able to maintain complete secrecy of their identity, from both the public and from Government investigative agencies. The second group to be made up of all members who have been publicly identified, or who there is reason to believe have been identified as "Minutemen" members by an agency of the Federal Government.

APPENDIX"MINUTEMEN"

In announcing the reorganization, DE PUGH stated that a complete resistance movement involving total resistance must involve not only guerrilla warfare, but that it must involve psychological and political warfare as well.

DE PUGH stated that what he was proposing and trying to effect was to build a political party that as such would have legal immunity, which would serve as a communications network for patriots that have other interests, and among whose members these other patriots can maintain their secrecy of identify. All future correspondence and communications on the national level will be done in the name of the Patriotic Party. DE PUGH also advised that if ever called to court, as he expected to be in the future, he was going to state that as far as the national organization is concerned, the "Minutemen" had ceased to exist.

DE PUGH, in the announcement, continued to the effect there is no reason why at some future date, when the environment is more conducive to military action, that the Patriotic Party cannot be used once again to pull together various local organizations into one national organization. By acting both as a front and as a means of coordination, the Patriotic Party can be invaluable in the building of a future resistance movement.

UNITED KLANS OF AMERICA, INC. (UKA)  
KNIGHTS OF THE KU KLUX KLAN (KKKK)  
(UNITED KLANS); REALM OF ILLINOIS,  
WINTHROP HARBOR, ILLINOIS

On March 1, 1966, CDS News, Chicago, Illinois, advised of the receipt of a handwritten letter on the stationery of the United Klans of America, State of Wisconsin, Office of Grand Dragon, Box 271, Waukesha, Wisconsin, and signed David J. Harris. The letter, dated February 28, 1966, announced the opening of a UKA office in Illinois. It stated that an Illinois citizen requested the Wisconsin Klan to announce the opening of the Klan and that any inquiries should be made to Post Office Box 148, Winthrop Harbor, Illinois.

DAVID JOHN HARRIS is publicly known as the Grand Dragon, Realm of Wisconsin, UKA, Inc., KKKK.

A source advised on March 30, 1966, that Post Office Box 148, Winthrop Harbor, Illinois, had been rented to the UKA on March 1, 1966. The individual renting the box under the name of the UKA was TURNER HARDEN CHENEY. This source stated that in a previous discussion with CHENEY, CHENEY had admitted to him that he was the Grand Dragon of the UKA, KKKK, Realm of Illinois.

On July 8, 1966, TURNER H. CHENEY, also known as "RED" CHENEY, 545 Sheridan Road, Winthrop Harbor, Illinois, advised the FBI as follows: He stated, "I am the Grand Dragon of the Klan in Illinois." He was elected by the membership in Illinois on March 28, 1966, and took office formally on June 1, 1966. He said the Klan has been in existence in Illinois since the 1930s although it has not been active.

CHENEY asserted there is no law that he knows of against the Klan as such and denied any involvement in any violence. He said the Klan here is not so disposed and has not burned any crosses nor has the Klan been involved in anything illegal. The only Klan activities in Illinois are membership and the Illinois Klan is only engaged in membership work. He sees nothing beyond this for at least one year and that he has "quite a few helpers."

Another source advised during June, 1966, that he has personally observed the credentials being carried by TURNER HARDEN CHENEY and they are signed by ROBERT SHELTON, Imperial Wizard, UKA, and indicate that CHENEY is the Grand Dragon of the UKA, KKKK, Realm of Illinois, located at Winthrop Harbor, Illinois.

The above source advised on August 11, 1966, that CHENEY continues to be the Grand Dragon of the UKA, KKKK, Realm of Illinois, located at Winthrop Harbor, Illinois, and contacts ROBERT SHELTON periodically concerning business of the UKA, KKKK.

I. BACKGROUND

Birth Data & Names Used

On January 5, 1967, Miss [redacted] Search Unit, Section of Vital Statistics, Minnesota State Department of Health, advised that certificate of birth number 34231-12, filed on December 6, 1912, shows that [redacted] was born on [redacted] at St. Francis Hospital, Breckenridge, Minnesota.

b7C

The father is listed on the original certificate as RICHARD LANDIS, trainmaster, Great Northern Railroad, residence Breckenridge, Minnesota, and the mother as EMMA BARRETTE, housewife, residing with husband. The father was born in Iowa and the mother in Wisconsin. This was the fourth child born to these parents.

On August 5, 1946, corrections were made to this certificate of birth based on an affidavit filed by Mrs. R.E. LANDIS, mother, 3149 James Avenue South, on July 30, 1946. Based on this affidavit, the following changes were made in the original certificate of birth:

The name of the child from [redacted] to [redacted] the name of the father from RICHARD LANDIS to RITCHEY E. LANDIS, and the name of the mother from EMMA BARRETTE to ELLA BARRETT. The age of the father was changed from 40 years to 42 years and the age of the mother was changed from 37 to 36.

In support of the change of names of the parents, a former birth certificate of another child of this marriage was referred to, that of CHARLES A. LANDIS, born January 11, 1905, at Melrose, Stearns County, Minnesota, to R. E. LANDIS and ELLA BARRETT. The reason for the filing of this affidavit was that these errors were made by the physician in attendance at the birth in reporting the birth data.

DETAILS:

All issues of "The Thunderbolt", referred to herein, were made available through SV T-4.

"The Thunderbolt" is self-described as "the Official White Racial Organ of the National States Rights Party".

Attached hereto in the appendix of this report is a characterization of the National States Rights Party (NSRP).

SV 157-871

NATIONAL STATES RIGHTS PARTY  
HEADQUARTERS, AUGUSTA, GEORGIA

On March 15, 1967, SV T-3 reported the NSRP continues to occupy room # 205 Marion Building, Augusta, Georgia, and J. B. STONER, PETER XAVIER, and three (3) girls work in this office regularly, with Doctor EDWARD R. FIELDS coming in about two days each week. SV T-3 said he had recently heard one of these girls tell another person that the NSRP was moving to another location in Augusta, Georgia, but the exact address was not mentioned.

On February 7, 1967, SV T-7 reported that, at a meeting of the NSRP, Dayton, Ohio, Chapter, on February 5, 1967, R. D. ELDRIDGE, National Organizer, NSRP, said the National Offices of the NSRP would be changing space in Augusta and would be in the process of moving during the following week. He said there would be more space for officers and workers.

SV T-1 reported on January 5, 1967, that information had reached him, to the effect [redacted]

[redacted] Dallas, Texas, associated with the American Nazi Party, a characterization of which is attached hereto in the appendix, were to be visited on January 15, 1967, at Dallas, by GEORGE LINCOLN ROCKWELL, of the American Nazi Party. The alleged purpose of this visit was a conference between ROCKWELL and the [redacted] regarding possible affiliation between the American Nazi Party and NSRP. It was further reported the [redacted] and ROCKWELL were to go to Atlanta, Georgia, on January 17, 1967, where they were to meet with J. B. STONER and FIELDS (possibly Dr. EDWARD R. FIELDS) of the NSRP. SV T-1 later reported this trip had been delayed indefinitely.

b6  
b7C

On January 17, 1967, SV T-2 reported that Dr. EDWARD R. FIELDS and J. B. STONER were both at the apartment of J. B. STONER, 299 Peachtree Gardens Apartments, Augusta, Georgia, as late as 11:00 P.M. on January 16, 1967, and were believed to have spent the night there.

On January 17, 1967, SV T-3 reported that FIELDS was at NSRP Headquarters at least until Noon, January 17, 1967, and STONER was there all day.

SV 157-871

On January 17, 1967, in the late afternoon, a call was made to NSRP Headquarters, Augusta, for Doctor FIELDS. A female voice answered that Doctor FIELDS had left Augusta and should be back in Charleston, South Carolina, "by this time."

On January 13, 1967, SV T-8 advised that he had heard no indication whatsoever that the American Nazi Party and the NSRP planned any form of mutual cooperation. SV T-8 said the bad blood between EDWARD FIELDS and GEORGE LINCOLN ROCKWELL, self-styled National Commander of the American Nazi Party, would necessarily make any mutual cooperation almost unbearable. He added, there have been indications that individual members will associate with each other, and ROCKWELL has never expelled an American Nazi Party member for this action. SV T-8 did not preclude any attempts by ROCKWELL to obtain some cooperation from NSRP, but feels that the cooperation would be terminated at the NSRP level.

SV T-4, on January 9, 1967, made available a Newsletter "issued solely for our inner circle of friends whose financial contributions are enabling us to build a third party in America", prepared over the signature of Dr. EDWARD R. FIELDS, and bearing a sub-heading, "Will New Year bring prison for NSRP Three". This Newsletter was attached to the January, 1967, issue of "The Thunderbolt". The letter refers to three NSRP members, Reverend CONNIE LYNCH, a party organizer and speaker; [redacted] Director of Maryland NSRP Youth; and [redacted] Maryland State NSRP Coordinator, who served two years in the Federal State Penitentiary for "conspiracy to incite riot, inciting to riot, and disorderly conduct." The letter proclaimed the innocence of these three, calls attention to expenses of the trial and appeal, and solicits financial aid to help defray expenses.

b6  
b7C

The January, 1967, issue of "The Thunderbolt" carried an announcement by the NSRP Executive Committee that the initiation fee for membership in the party would go up from \$8 to \$10, March 1, 1967.

SV 157-871

Page 8, of the January, 1967, issue of "The Thunderbolt", carries an article "How to Organize an NSRP Chapter" by W. EUGENE WILSON, NSRP Duval County Director, 643 Cassat Avenue, Jacksonville, Florida. WILSON urges present members to sign up at least ten new members in 1967; that these new members be brought into the mainstream of party activity, and new chapters be formed.

The February, 1967, issue of "The Thunderbolt", on its last page, advertises and recommends as "best race book ever published" a book entitled "WHITE AMERICA" published by NOONTIDE PRESS, to be released February 28, 1967. The advertisement states, "This book proves beyond all doubt that the white race is the superior race."

#### FLORIDA ACTIVITIES

SV T-5, on January 6, 1967, reported a meeting held on January 5, 1967, at Vero Beach, Florida, of former members of Vero Beach-Winter Beach NSRP. D. C. JOHNSON gave a talk about Communist infiltration in Washington, D. C.; however, the main purpose of the meeting was to raise money to assist in the appeal of CONNIE LYNCH, [redacted] The sum of \$40 was collected.

On December 30, 1966, SV T-10 reported that the Duval County Chapter of the NSRP meets on Friday nights at 2659 Edison Avenue, Jacksonville, Florida, and there are approximately fifteen (15) active members regularly attending these meetings. SV T-10 said there are about 20 - 25 persons on the roll. SV T-10 continued, [redacted] known as the chapter organizer, is the only officer designated as such in the Duval County Chapter.

On December 31, 1966, SV T-11 said there are about five (5) members who regularly attend weekly meetings of the NSRP on Tuesday nights at 8145 Beach Boulevard, Jacksonville, Florida, with estimated enrollment of ten (10). SV T-11 said new members are recruited at public meetings and individual contacts, mainly by [redacted] who is considered the recruiter for the NSRP.

SV T-10 reported on December 30, 1966, that discussions at these meetings are in the nature of being

SV 157-871

critical of Jews, Negroes, and the Federal Government, in general, with recent emphasis on political action against integration of schools, Communism, and the Zionist Movement. SV T-10 said contributions are requested at all meetings, and copies of "The Thunderbolt" are sold by all members, to cover expenses of the NSRP. No records are kept of funds collected, according to SV T-10.

ILLINOIS

SV T-6 reported on November 15, 1966, that a meeting of the NSRP was held November 12, 1966, at 2237 North Western Avenue, Chicago, Illinois. [redacted] (Illinois State Chairman, NSRP) gave a talk, saying NSRP members should obtain contributions to raise \$250 before J. B. STONER of the National Headquarters arrived at Chicago on November 26, 1966. [redacted] said NSRP Headquarters had sent \$250, which was used by [redacted] in making bond, and this amount must be replaced.

On December 20, 1966, SV T-6 reported that, as of December 17, 1966, the following individuals were current officers of the Chicago Chapter of the NSRP:

[redacted] Chairman and City Coordinator;

[redacted] Vice-Chairman and Treasurer; and

[redacted] Sergeant-at-Arms.

b6  
b7c

SV T-6 reported on December 20, 1966, that [redacted] had been contacted on December 19, 1966, by several members of the Chicago Branch, NSRP, and invited to return and assume leadership of the Chicago Branch. [redacted] declined, unless new members are obtained and certain non-specified changes made.

On December 20, 1966, SV T-6 reported that [redacted] had, on December 17, 1966, stated that [redacted] should be replaced as an officer of the NSRP, due to

SV 157-871

his lack of interest and failure to attend meetings. [ ] stated he, [ ] desired to be replaced as Illinois State Chairman, even though he had strong beliefs in the goals of the NSRP. [ ] indicated he did not have time to devote to the NSRP. [ ] said he had been unable to get anyone to assume leadership in the Chicago Branch, nor had he been able to obtain an interested effective membership.

On December 20, 1966, SV T-6 reported that, according to [ ] there have been less than a dozen individuals actively attending meetings of the Chicago Branch, since September, 1966.

SV T-6 reported on December 20, 1966, that, as of that date, the appeals of [ ] were still pending and no date indicated when the appeals would be taken up.

#### INDIANA

SV T-17 and SV T-18, on February 13, 1967, advised there had been no meetings or activity on the part of NSRP at Indianapolis and vicinity, since September, 1966.

On February 13, 1967, [ ] Town Marshal, Knightstown, Indiana, advised that he had observed no activity on the part of [ ] on behalf of the NSRP.

#### LOUISIANA

The February, 1967, issue of "The Thunderbolt", on page 3, announces an NSRP rally to be held at 3:00 P.M., February 19, 1967, at Reception Hall, BUD'S FLOWER ROOM, 5701 St. Claude Avenue, New Orleans, Louisiana and, for additional information, to contact Mr. ANTHONY CIRAVOLO at 523-3950.

On page 8, of the March, 1967, issue of "The Thunderbolt", in an article entitled "STONER Speaks in

"New Orleans and Houston", it is stated that NSRP Attorney J. B. STONER spoke to a meeting of the NSRP at BUD'S FLOWER ROOM, New Orleans, Louisiana, on February 19, 1967. According to this article, STONER proclaimed the program of the NSRP and how it plans to solve America's problem, when elected to power. According to the article, STONER said, "There can be no law and order, peace and tranquility, until the NSRP is elected to power, confiscates the Jewish wealth, and expels the Jews and Negroes from America. This article stated ANTHONY CIRAVOLO called the meeting in New Orleans, and A. ROSWELL THOMPSON was the Master of Ceremonies.

On March 16, 1967, [redacted] advised that he had been Master of Ceremonies at the NSRP meeting in New Orleans, on February 19, 1967, but there is no chapter of the NSRP in New Orleans. He said [redacted] had asked him to be Master of Ceremonies at this rally. He said [redacted] had asked him to write an article concerning the meeting for a local paper, because [redacted] does not have the education to write such an article. [redacted] said, in preparing this article, he had merely composed the name "CRESCENT CITY CHAPTER OF THE NATIONAL STATES RIGHTS PARTY" for this newspaper article. [redacted] went on to say that he attends meetings of conservative organizations.

b6  
b7C

#### MARYLAND

On February 1, 1967, Detective [redacted] Intelligence Unit, Baltimore County Police Bureau, Towson, Maryland, advised that, at an NSRP meeting, held on January 27, 1967, the following individuals were introduced as the current officers of the NSRP in Maryland:

State Chairman - [redacted]

State Coordinator - [redacted]

Assistant State Coordinator - [redacted]

State Youth Leader - [redacted]

b6  
b7C

SV 157-871

On February 2, 1967, Detective [redacted] made available a report concerning a meeting of the NSRP, held at 3531 Belair Road, Baltimore, on January 27, 1967, which was attended by [redacted] was the first speaker and, referring to Negroes in this country, stated the white people should exterminate "these black beasts". He blamed the race riots in this country on the Jews and the Communists. Following the speeches by [redacted] Dr. EDWARD R. FIELDS, National Director of the NSRP, the main speaker, opened his talk by saying the NSRP is a non-violent organization, but will fight in self-defense and to preserve the white race. He said the white people must unite; and, when the white people gain power, "we" will ship the Negro back to Africa. FIELDS said Baltimore is run by the Communists, Jews, and "niggers", and that Mayor MC KELDIN had held a secret meeting and ordered the arrest of NSRP leaders as a result of the Patterson Park Rallies.

b6  
b7C

On February 5, 1967, Lieutenant [redacted] Baltimore City Police Department, advised that thirteen (13) persons representing the NSRP picketed the home of Mayor. THEODORE R. MC KELDIN, 103 Goodale Road, Baltimore, Maryland, from 1:45 P.M. to 2:30 P.M., on February 5, 1967. The group carried signs protesting open housing legislation proposed by the Mayor. The group was orderly during the picketing.

#### MISSOURI

On February 3, 1967, SV T-15 and SV T-16, both advised that there had been no NSRP activity in the St. Louis area during the past ninety (90) days.

#### NORTH CAROLINA

SV T-13 advised on December 27, 1966, that [redacted] Durham, North Carolina, had received a letter dated December 22, 1966, and postmarked at Knoxville, Tennessee, Post Office Box 2161, Knoxville, from NED DUPES, Chairman, National Executive Committee, NSRP. This letter expelled [redacted] from membership in the NSRP because of disloyalty and also because "there is

b6  
b7C

SV 157-871

"sufficient reason to believe that you are an undercover informer for the race-mixing FBI." The letter said [redacted] was forbidden to attend any future meetings and was to return his membership card to the National Office at Augusta. According to SV T-13, [redacted] of the NSRP, Durham, felt [redacted] was responsible for this communication, and [redacted] felt the NSRP would die in North Carolina because [redacted] also seemed to have lost interest in the group.

b6  
b7C

On January 31, 1967, SV T-14 advised that about 55 - 60 persons attended a meeting at the Oak Grove Ruritan Building, Durham, North Carolina, on January 30, 1967, at which Dr. EDWARD R. FIELDS, the main speaker, was introduced by [redacted] Chairman of the Durham unit of the NSRP. FIELDS spoke for about an hour. He emphasized the desires of the Jews to mongrelize the races. FIELDS said the white people would have to pick up and become more militant, to maintain their racial integrity, but he did not elaborate on the methods of militancy. FIELDS advocated that all present should join the NSRP in supporting GEORGE WALLACE of Alabama for President. He said, if WALLACE could get 34% of the popular vote, he would be the winner, as FIELDS assumed the two major parties would split the remaining 66% of the votes.

#### OHIO

SV T-7, on February 7, 1967, advised that the NSRP maintains headquarters for its Dayton, Ohio, Chapter, the only active chapter in that area of Ohio, at 224 Oak Street, Dayton, Ohio. He said the NSRP continues to promote the preservation of the white race, fighting against race-mixing. It is against integration, and advocates control of the Negro and Jewish population elements in the United States. He said the NSRP is outspoken in opposition to blood of the white race being "polluted with that of the black, yellow, Jewish, or mongrel peoples."

SV T-7, on the same date, advised that [redacted] who resides in Dayton and is the NSRP National Organizer, controls the Dayton Chapter, whether it has a State Chairman or not.

b6  
b7C

SV 157-871

SV T-7, on the same date, stated the Dayton Chapter meets regularly every other Sunday afternoon. These meetings are held at headquarters and usually last 1½ - 2 hours. They are attended by 15 - 20 members. A collection is taken at each meeting, but the amount collected is not usually announced. SV T-7 estimated the amount collected usually would run between \$20 and \$30.

SV T-7 reported on January 10, 1967, a regular meeting of the Dayton, Ohio Chapter of the NSRP was held on January 8, 1967, at party headquarters in Dayton. [ ] conducted the meeting. He said expenses of this chapter for 1966 were over \$6,970, compared with \$3,200 for 1965. Cash on hand at the end of 1966 was \$60. [ ] said J. B. STONER was scheduled to speak at Dayton on February 19, 1967.

On January 27, 1967, SV T-7 reported that, at a meeting of the Dayton Chapter on January 22, 1967, at party headquarters, [ ] stated J. B. STONER was to speak at Dayton on February 19, 1967, and it was hoped that he would speak at other towns in Ohio and at Indianapolis, Indiana.

On February 24, 1967, SV T-7 advised that a meeting of the Dayton, Ohio Chapter was held on February 19, 1967. [ ] conducted the meeting and stated that neither J. B. STONER nor Dr. EDWARD FIELDS was able to make this meeting, as scheduled. [ ] introduced the Chairman of the Cleveland, Ohio NSRP unit as Mr. [ ] first name believed by SV T-7 to be CHARLES.

[ ] said he was still looking for someone to be Chairman or Organizer for the Dayton unit.

SV T-7 reported on February 24, 1967, that, following the meeting of NSRP at Dayton, Ohio, on February 19, 1967, a meeting was held at Middletown, Ohio, at the Amanna Athletic Club, Oxford-Camden Road, Middletown, Ohio. This meeting was supposed to have been for members in the Southwestern Ohio area to hear Dr. EDWARD R. FIELDS of the National Office, but FIELDS was not able to attend.

b6  
b7C

SV 157-871

[redacted] and a number of other members from the Dayton Chapter went to the Middletown meeting, and [redacted] was in charge of the meeting. He introduced [redacted] as Organizer of the Middletown NSRP Chapter. [redacted] made a talk, in a derogatory way, about the Jews and how they were the people running the United States. [redacted] used quotes from the Bible, in speaking about the Jews and in opposition to race mixing. [redacted] introduced [redacted] Middletown, Ohio, as Chairman of the Middletown Chapter. About six or eight persons from Middletown, Ohio, were in attendance at this meeting.

b6  
b7C

The March, 1967, issue of "The Thunderbolt", on page 8, announces that Dr. EDWARD R. FIELDS is to speak before the NSRP at 224 Oak Street, Dayton, Ohio, at 7:30 P.M., on April 15, 1967, and at Middletown, Ohio, on April 16, 1967.

SV T-12, on January 24, 1967, furnished a leaflet entitled "NSRP Unit 22, Post Office Box 1076, Cleveland, Ohio, 44102", and dated November 16, 1966. This notice announced a meeting to be held on November 20, 1966, at the National Bohemian Hall, 4939 Broadway, Cleveland, Ohio. This was reportedly the first meeting since the organization of the Cleveland unit of the NSRP. It states that meetings will be held on the first and third Sundays of each month, at the same time, 4:30 P.M., and place, and it would be conducted by the Cleveland Chairman, CHARLES O. FARRIS. This flyer was prepared over the signature of R. D. ELDRIDGE, National Organizer.

#### TEXAS

The March, 1967, issue of "The Thunderbolt", on page 8, in an article entitled "STONER Speaks In New Orleans and Houston", states that J. B. STONER, National States Rights Party Attorney, spoke before a meeting of the party in Houston, Texas, on February 20, 1967, and at Rice University, Houston, Texas, on February 21, 1967. This article states that, in all three meetings, STONER proclaimed the program of the NSRP and how it plans to solve America's problem, when elected to power.

SV 157-871

This article states chapter leader ANDREW J. STOCKTON called the Houston meeting; and that STONER spoke at Rice University at the invitation of "student groups." It was stated that STONER arranged for more rallies in Texas and Louisiana, and Reverend CONNIE LYNCH would speak at these meetings at a later date.

NATIONAL STATES RIGHTS PARTY  
(NSRP)

On March 27, 1967, SV T-1 made available the April, 1967, issue of "The Thunderbolt", self-described as "the Official White Racial Organ of the National States Rights Party".

A characterization of the National States Rights Party (NSRP) is attached, as an Appendix hereto.

This issue of "The Thunderbolt", on page 1, announces that, effective at the end of March, 1967, the National States Rights Party, "The Thunderbolt" offices, and all national officers in Augusta are moving from Augusta to a new address, Post Office Box 6263, Savannah, Georgia, 31405, Savannah telephone number 355-4271.

SV T-1 made available also a copy of a personal Newsletter over the signature of Dr. Edward R. Fields, "issued monthly solely for our select inner-circle of friends .....". On page 2, of this personal Newsletter, it is stated that the decision to locate at Savannah, Georgia, came after long and futile search for a space at Augusta, Georgia. It continued, the Augusta Chamber of Commerce, goaded by ex-Governor Carl Sanders, pressured most realtors against renting to the NSRP at Augusta. This article points to advantages of relocating in Savannah, stating that it is a larger city than Augusta, more services available, and more accessible to visitors, as it is on the East Coast Railway line.

It is stated that there is a two-year lease on the office space at Savannah, and the NSRP hopes to make its permanent headquarters at Savannah. It is stated that, within the next two years, the NSRP National Executive Committee needs to buy or build a headquarters building. The article mentions several fine employees and part-time volunteer workers who are unable to move to Savannah, but the NSRP expects no problem in obtaining help at Savannah. It asks readers to contribute toward the moving expenses.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

## NATIONAL STATES RIGHTS PARTY

On page 1 of this Newsletter, it is stated that "Martin Lucifer King", the SCLC (Southern Christian Leadership Conference) and CORE (Congress On Racial Equality) have designated Cleveland, Ohio, as their target city for the summer. It is stated the National States Rights Party will conduct counter-demonstrations against King and these organizations and defend the white people of Cleveland against the black revolutionaries. It continues that, if King and these organizations go through with their plans to "terrorize Cleveland", J. B. Stoner, Connie Lynch, and other NSRP leaders will go to Cleveland to lead the whites in the streets. The article continues, ".....but we will bring in more white counter-demonstrators than all of the Negro and beatnik troublemakers combined. We will more than match the enemy on a man-to-ape basis."

This article states that NSRP National Organizer R. D. Eldridge has been in Cleveland several times recently regarding the situation developing there. It states that Eldridge and Charles O. Farris, a Cleveland Chapter leader of the NSRP, are preparing the members of the party in that city for the ordeal that will begin with hot weather.

On page 7 of this issue of "The Thunderbolt", in an article entitled "NSRP Organizes Whites" is a letter addressed to the Editor of "The Thunderbolt" over the signature of Roy F. Wake, 2508 South Enchid Avenue, Berwin, Illinois. In this letter, the writer urges union members to throw out union officials who give their hard-earned health, welfare, and pension funds to "blacks and beatnik scum for civil riots." It also urges church members to walk out on sermons which suggest race-mixing.

On page 8 of this issue, in an article entitled "How To Be A NSRP Leader", by W. Eugene Wilson, NSRP Duval County Director, P. O. Box 6075, Jacksonville, Florida, Wilson points out how the NSRP depends upon its leaders to support the party, be loyal to the party, and lead other members to develop in the party.

On page 9 of this issue of "The Thunderbolt", there is an article entitled "FBI Forces - Whites To Mix In La. - Negroes To Mix In Okla.". This article states

## NATIONAL STATES RIGHTS PARTY

the FBI has now become an intimidation agency for the Justice Department. This article states that, in this role, the FBI now investigates complaints of Negroes about alleged discrimination; questions whites who actively and publicly oppose integration; provide bodyguards for Civil Rights demonstrators; is planting informers in every active group engaged in fighting against race-mixing; is paying informers to spread confusion, lies, and mistrust within these organizations. This article continues that, in the Plaquemine Parish of Louisiana, where private schools were set up for white children in 1966, the FBI began questioning parents of the white children about "Why don't you want your child to attend a mixed school?"

This article continues that, in Tatum, Oklahoma, a Negro school was closed and Negro children bussed to nearby Fox, Oklahoma, to bring about integration of the students. It is stated that, when some of the Negro parents began to hold their children out of this school, the FBI was sent in to interview these parents, in an attempt to get these Negro parents to permit their children to attend the white schools.

On page 8 of this issue of "The Thunderbolt", it is announced that Dr. Edward R. Fields will speak on April 15 (1967) at 7:30 P.M., at the NSRP Hall, 224 Oak Street, Dayton, Ohio, and at Middletown, Ohio, on April 16, 1967.

Page 12 of this issue of "The Thunderbolt" advertises the book, "Lord Haw Haw", a story of William Joyce by A. J. Cole. This advertisement states the book is available through the NSRP for \$3.

On March 27, 1967, SV T-2 advised that telephone number 355-4271 in Savannah has not yet been installed but will be installed, this date, or the next day, at # 10 Montgomery Crossroad, Savannah. This telephone is being installed at the request of J. B. Stoner, who identified himself as an attorney, and as the attorney for the National States Rights Party, and Dr. Edward R. Fields. Stoner requested that his name appear in the telephone directory in both the white and yellow pages as an attorney. He asked

NATIONAL STATES RIGHTS PARTY

for three additional listings in the white pages of the telephone directory, in the name of the National States Rights Party, "The Thunderbolt" Newspaper, and in the name of Dr. Edward R. Fields.

SV T-2 stated the installation had been delayed for the reason that the telephone company had asked Mr. Stoner for a one hundred-dollar deposit. This deposit was in the mails this morning.

On March 27, 1967, Mr. [REDACTED]

[REDACTED] advised he is the owner of the building at # [REDACTED]. He said these premises were rented by J. B. Stoner, who identified himself as an attorney. Stoner asked for a one-year lease. [REDACTED] was under the impression that the premises were to be used as an attorney's office. He said he has never heard of the National States Rights Party or "The Thunderbolt" Newspaper.

RACIAL MATTERS (ORGANIZATION)

Synopsis:

NSRP National Headquarters located Room 204 - 206, Marion Building, Augusta, Ga., and continued during 1966 to distribute its official paper, "THE THUNDERBOLT", from this address. Dr. EDWARD R. FIELDS, Director, NSRP, and Editor of "THE THUNDERBOLT", has taken up residence and chiropractic practice at Charleston, S. C., but usually spends one or two days each week at NSRP Headquarters. J. B. STONER, Attorney and Vice Chairman, NSRP, lives in Augusta, Ga., but continues to travel for NSRP, speaking and lending legal counsel to members. Party convention held Dayton, Ohio, August, 1966. NSRP, during 1966, often used Reverend CONNIE LYNCH to make inflammatory speeches at points of racial unrest. LYNCH was arrested in Baltimore, Md., and Chicago, Ill. Interest in local chapters of NSRP rises in periods of racial tension and subsides when conditions become normal. NSRP continues to advocate segregation and white supremacy with guarded statements about violence. Activities by states set forth.

A characterization of the National States Rights Party (NSRP) is attached hereto in the Appendix of this report.

SV T-1 has reported on various dates that J. B. STONER, Attorney, and PETER L. XAVIER are normally the only two men working in NSRP Headquarters and Dr. EDWARD R. FIELDS comes in about two days per week, usually at the end of the week. In addition, three girls normally work in the office doing clerical and secretarial type work. SV 157-871

### B. CHARTER INFORMATION

On November 26, 1957, SV T-27 advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "THE THUNDERBOLT", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, SV T-28, advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, "THE THUNDERBOLT", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69 of "THE THUNDERBOLT", dated July, 1965, announced the new address of the headquarters of NSRP as Post Office Box 184, Augusta, Georgia.

On September 21, 1964, SV T-29 advised that Dr. EDWARD R. FIELDS, the information director of NSRP and editor of "THE THUNDERBOLT" is the individual who "runs the NSRP".

Issue No. 72 of "THE THUNDERBOLT" dated November, 1965, reflects that Dr. EDWARD R. FIELDS is the National Director of the NSRP as well as editor of "THE THUNDERBOLT".

### C. OBJECTIVES

The following articles setting forth some of the objectives of the NSRP are set forth in the January, 1967 issue

SV 157-871

of "THE THUNDERBOLT", Page 10, in an article entitled "NSRP ACTION PLAN":

"WE MUST BREAK THE BACK OF LYNDON JOHNSONS PLANS TO 'ASSIMILATE' THE WHITE AND NEGRO RACES. HERE ARE THE RULES FOR STOPPING RACE-MIXING:

"\*(1) NEVER ALLOW YOUR CHILD TO ATTEND ANY DANCE OR OTHER SOCIAL FUNCTION WHERE NEGROES ARE PRESENT.

"\*(2) DO NOT GIVE MONEY TO ANY CHURCH WHICH PREACHES RACE MIXING.

"\*(3) FIRE ANY NEGRO WORKING FOR YOU BEFORE FEDERAL LAW COVERS SMALL BUSINESSES. (Next July 2nd federal law will cover business with less than 100 workers -- fire your negroes while there is yet still time.)

"\*(4) MOST NEGROES WILL STAY AWAY FROM PLACES WHERE THEY KNOW THEY ARE NOT WANTED. IN THE LOUDEST AND MOST BOISTEROUS MANNER, LET THEM KNOW THAT THEY ARE NOT WANTED.

"\*(5) OPENLY, AND PUBLICLY DENOUNCE RACIALLY-MIXED COUPLES ON THE STREET. PUBLIC RIDICULE AND SHAME WILL DO MORE THAN ANYTHING ELSE TO BREAK UP SUCH COUPLES.

"\*(6) PICKET, DEMONSTRATE AND OTHER WISE 'RAISE HELL' ANY TIME BLACKS TRY AND MOVE INTO A WHITE NEIGHBORHOOD. OFTEN NEGROES WILL MOVE BACK WHERE THEY CAME FROM WHEN THEY KNOW THEY ARE NOT WANTED."

The objective of the NSRP is the formation of a political action group dedicated to white supremacy and openly opposed to Negroes and Jews with the hope to achieve their goal by political means.

SV 157-871

SV T-9 estimated 150 persons attended the Convention on August 27, 1966, at the Greater Beneficial Union Hall, Dayton, Ohio. He said the Convention had no agenda, program, or purpose, lacked organization, and consisted only of individuals speaking to the group. These talks were substantially the same in that they praised the NSRP and its fight to protect the white man, condemned the administration and the FBI, saying both were controlled by Jews and communists. One speaker said the time had arrived for the white man to stand up for his rights and if violence was necessary to do so, it should be used.

SV T-9 advised [redacted] of Baltimore, Maryland, was elected "Man of the Year" by the NSRP for his activities in connection with racial demonstrations in the Baltimore area during 1966. [redacted] NEUMAN BRITTON, Dr. EDWARD R. FIELDS, and Reverend CONNIE LYNCH all gave inflammatory talks before the Convention attacking Negroes, Jews, and the administration in Washington, D. C. b6

Extreme caution should be used in reporting the source of the information as access to the ANP files is limited to only two or three persons.

For the further information of Savannah, on 9/25/66, [ ] who has furnished reliable information in the past, advised that [ ] is a pseudonym of [ ]. As noted in the ANP Office Memorandum from Major KOEHL, an ANP official at Arlington, Virginia, to [ ] on the subject of the NSRP lists, KOEHL enclosed a list of names which he described as "NSRP names."

b6  
b7C  
b7D

The list referred to by KOEHL is identical to the list furnished the Dallas Office of the FBI by [ ]

Savannah will also note that in the letter from [ ] not otherwise identified, to [ ] a list of names is referred to, and it is stated in that letter, "they might be inclined to join the NSRP if they know of a unit existing in their state." It is to be noted that this letter from [ ] was attached to the NSRP list as furnished by [ ]

From a review of the Dallas file on the NSRP, it is not known if the information contained in the enclosed NSRP list is already available to the Savannah Division through its own sources and informants.

In order to prevent possible duplication of investigation, Dallas has not designated the NSRP list of members to the other Divisions. If the enclosures are considered to be of present investigatory interest, leads based on those enclosures are left to the discretion of the Savannah Office, office of origin.

LEAD

SAVANNAH

AT SAVANNAH, GEORGIA. Will review enclosures to determine if information furnished by [ ] is of present interest to Savannah.

AT AUGUSTA, GEORGIA. Will at headquarters of NSRP, through logical sources and informants, determine if there is any present or proposed activity or association between the ANP and the NSRP. Will advise Dallas of the results of such investigation.

RICHMOND

AT RICHMOND, VIRGINIA. An information copy of this communication is furnished Richmond for reference to their NSRP file.

AT ARLINGTON, VIRGINIA. 1. Will through sources and informants at National Headquarters of ANP, determine if there is any planned association between the ANP and NSRP.

DALLAS

AT DALLAS, TEXAS. Will maintain contact with  to determine if there is any planned association between leaders of the ANP and NSRP.

Enclosed is the list of NSRP names I mentioned earlier.

(It is in four separate sections, as we received them here, which I have marked "A" through "D".)

California and Pennsylvania are complete. Several other states, like Ohio and Michigan, are also heavily represented.

When you have finished your handling, please return it to us. Some of the California names we want to refer to San Francisco. (LA already has a copy.) We also want to give Dr. Pierce a crack at it. (Idea: Perhaps he would be willing to split some of the cost of a mailing, if you were to enclose his brochure.)

Every one present were made exceedingly suspicious of [redacted] When he had anything to say it was a question concerning the party or the National States Rights Party (NSRP). The thing that clinched it was that he said that he was over to the NSRP on Western Avenue. [redacted] gave [redacted] the lifted eye brow look as if to say be careful (NSRP has been closed here in Chicago for some time now.) After he had gone, [redacted] said to the group that from now on when ever [redacted] asked any questions he is to be taking up the garden path. [redacted] [redacted] is also under a critical eye for the time being. [redacted] are still going over around the southwest side of the city on their survey.

[redacted] on 4/18/67, advised that during the evening of 4/17/67, [redacted] an individual attempting to establish a NSRP chapter in Cleveland, informed that NSRP representatives would appear on the ALLAN DOUGLAS Show, WKYC-Radio, Cleveland, that evening. He informed that Dr. EDWARD R. FIELDS was to appear on the program, however, at the last moment cancelled out because of other commitments and he was replaced by MARTIN BARRETT, NSRP Mid-west Coordinator - Chicago. FARRIS informed their appearance on the ALLAN DOUGLAS Show was to give publicity to the NSRP.

FARRIS, BARRETT and another local NSRP member appeared on the ALLAN DOUGLAS Show on the evening of 4/17/67. The ALLAN DOUGLAS Show is a panel discussion program built around a controversial subject, in this case the NSRP.

b6  
b7C  
b7D

According to [redacted] the appearance of these three NSRP representatives did more harm to the NSRP than good. They were extremely poor representatives and failed to generate any interest in the NSRP.

The Savannah and Chicago offices will subsequently be furnished copies of informant's report fully exploring subjects' appearance on the ALLAN DOUGLAS Show.

NATIONAL STATES RIGHTS PARTY

The April, 1967, issue #88, of "The Thunderbolt", which is self-described as "the official White Racial Organ of the National States Rights Party", a characterization of which is attached, contained an article on Page 3 captioned "Negroes Operate Underground Radio". This article indicated that on February 12, 1967, an unlicensed radio station which calls itself "Radio Free Harlem" went on the air in New York City. The article disclosed that the radio broadcasts for approximately half an hour at a time and that the Federal Communications Commission has not been able to locate the operators of this station. The article continued by stating that the station broadcasts mostly Negro music and makes appeals for the support of Congressman Adam Clayton Powell. The station also requests that contributions be sent to Powell's church. The article indicated that such a radio station could "wreak" additional havoc by urging the Negroes to rise up in arms and furnish instructions to guerilla fighters in the event of possible forthcoming riots in the Summer, 1967.

Page 7 of the same publication reflects a letter written to the editor of "The Thunderbolt" by Roy F. Wake, 2508 South Enchid Avenue, Berwyn, Illinois. The letter calls for throwing out union officials that give pension funds to "blacks and beatnik scum" for civil riots. It also calls for walking out on sermons and non-participation in church programs which preach race mixing. It also calls for the joining, supporting and working with the National States Rights Party to make this nation a better place to live.

Page 8 of the publication contained a notice that Dr. Edward R. Fields was scheduled to speak on Saturday, April 15, 1967, at 7:30 p.m., at the National States Rights Party Hall, 224 Oak Street in Dayton, Ohio, and was to speak the following day, April 16, 1967, in Middletown, Ohio.

My full name is [REDACTED]

I have used the alias of [REDACTED] (phonetic) and while I was in the Army and before that I had a name given at birth of [REDACTED] because of my father who was using an alias at that time of [REDACTED] but his real name was [REDACTED] So then I carried the name of [REDACTED] until I was 2 when I was adopted by [REDACTED] and given the name [REDACTED] later on when I went in the army I used [REDACTED] and then I reverted back to the [REDACTED] and then I had it legally changed in the courts of Arlington to [REDACTED] in honor of my grandfather, the name that my father wanted me to have but at the time I was not able to use his own name.

b6  
b7C  
b7D

What is your date of birth Mr. [REDACTED]

And where were you born?

Wauwatosa, Wisconsin.

You mentioned you were in the United States Army, when did you go in?

Where were you stationed when you were in the Army?

Well first I was sent from Omaha, Nebraska to Fort Carson, Colorado and given a clothing issue and then I was sent to Fort Hood Texas, where I took basic training.

What year was this?

This was in 1959 and then I was sent after I took basic training I was sent to Fort Hood California for advanced infantry training and from there I was sent to the Oakland Army terminal then over to the Camp Kesie (ph), Korea with the 7th Division and then I was sent back to the Oakland Army terminal and discharged from their and while I was in the South Carolina National Guard I was in Fort Jackson, South Carolina.

Oh, at the time I am at the Anti-Defamation League, in Room 1449 at 222 West Adams Street.

And do you know who I am?

Yes sir, you are a Police Officer.

I am Sergeant [REDACTED] do you know this lad here?

(unintelligible introduction follows, later in interview determined to be Detective [REDACTED])

Are you up here on your own free will.

Yes sir, I am up here on my own free will.

Have you been promised anything by the police department?

No, I have not been promised anything.

Would you repeat where you are presently living?

What is your phone number there?

The phone number is [REDACTED]

Are you currently employed.

b6  
b7C  
b7D

Yes, I am currently employed.

Where?

I work at the [REDACTED]  
[REDACTED]

Are you and/or have you ever been a member of the American Nazi Party (ANP)?

I was a member of the American Nazi Party from 28 August, 1963 until 20 February, 1967.

What month?

February

You left the ANP in 1967.

Right, I left on 20 February.

For what reason did you leave.

Well it began like this, there was some youths in the neighborhoods who tried to set the place on fire at 1314 West Ohio with gasoline.

b6  
b7C  
b7D

When did this occur?

This was in January.

Of 1967?

In 1967. It was the early part of January, the beginning of January. One kid was shot in the stomach.

(Then there is an extremely long pause as the tape goes blank)

Would you continue on with the

Right, well anyway one kid had been shot in the stomach. Well they claimed, the Nazis claimed that

You are getting ahead of yourself.

Oh.

Start about the, you say some youth tried to

They attempted to set fire to the place. Well they went across the street.

Did you observe the youths attempting to set the fire?

Yes I did, I saw them cross the street.

Did they go to the front or the rear.

Well they went to the front of the place and they poured the gasoline on the front.

On the sidewalk?

On the front of the doorway, inside the doorway.

That street front doorway there?

Sir.

That street front doorway there.

Yes that street front doorway so one kid went up and with a torch in his hand, what do they call it, a flare in his hand.

What type of container did they have?

They had a small gasoline can.

What color were they?

They were white kids from the neighborhood.

What color is the can.

I don't remember the exact color because it was late in the evening and it was hard to tell the color at that time of the night and they poured the gasoline on the front.

How many youths were there.

b6  
b7C  
b7D

Oh, I would say there must have been about 3 or 4 in the area. I couldn't say, you couldn't distinguish.

I thought they were in the front.

Well one of them ran across from the alley over to the front of the place with the gas and then I ran back across to the

To the gangway there?

No, I came across from the street and then I came along

From Ohio Street?

From the other side of Ohio Street by Tina's Grocery store.

He came from the east to the west or from west to the east?

From the south to the north and then he ran across the street where there was a heavy snow bank and he went along and crawled and then he poured the gasoline and then he ran back and followed the same route.

He ran south across Ohio Street?

He went, first he had to go east and then he ran across the street to the area of the alley where there were some other youths.

What age would you say they were?

Oh, they must have been 14, 15, 16, around that age, and then the youths ran across the street with a railroad flare, I took it as a railroad flare and he was going to ignite the thing. Well anyway [ ] saw it and he fired the .44 magnum.

Who do you mean by [ ]

[ ] he fired the .44 magnum into the air.

In the building.

b6  
b7C  
b7D

On the inside of the building, he stuck it out the window and aimed it toward the sky.

The front window, side window, rear window?

The front window. The front middle window and he fired it into the air to scare off the youths.

Continue, will you please.

Right, and then he fired it into the air and then there were a series of shots or fire crackers or something, I couldn't distinguish.

Shortly thereafter the

Shortly thereafter, after he fires the gun into the air.

What type of gun did he have?

He had a .44 magnum revolver and then they ran into the street after them.

Who is they?

[redacted] and I believe [redacted] but I am not sure.

And could you identify [redacted] Is he a member of the ANP.

He was a sympathizer at the time I believe. I don't think his application was ever notarized yet, and He comes around and he claims that he lost so much intestines in Viet Nam and he wears a row of medals. Well anyway

Does he wear civilian clothes or

He wears civilian clothing. Sometimes he wears his Marine Corps khakis.

(Detective in background - unidentified)

DETECTIVE: When, I am sorry, I don't think I got that name.

Well anyway later on it was said that [redacted] (ph)

[redacted] ran after them into the street.

They ran after them out into the street, I don't know if they had the gun with them at the time or not, and of course Captain [redacted] was there, Captain [redacted]

Where is Captain [redacted] from?

He is originally from New York City. He works as the editor of "Storm Trooper" magazine in Virginia. Well anyway one of the kids got shot in the stomach with a .25 caliber bullet. I couldn't say whether it was a revolver or automatic because, well anyway.

One of the youths that had attempted to

One of the youths that had attempted to was shot. Well anyway [redacted] claimed that the kid was shot among themselves. Well Miss [redacted] owned a .25 caliber. I don't know if this

Could you identify Miss [redacted] please.

She is a friend, [redacted]

[redacted] and she works also with the National Renaissance Party, not Renaissance, but National States Rights Party (NSRP).

What capacity does she have in the ANP?

She comes over and she does [redacted] and so forth.

Where does Miss [redacted] live?

She lives in Highland Park.

In Highland Park.

Right

With whom does she live, do you know.

I don't know, I have never been up there.

OK

b6  
b7C  
b7D

Well anyway, the youth was rushed to the hospital and they found a bullet in his stomach.

Who took the youth to the hospital.

I don't know. That part was told to me later. On the 25th of January I was on my way to work and I see 10 youths behind me following me. There was about 10.

You were on your way to work, from what location?

I was leaving from 1314 West Ohio Street, walking over to Carroll, walking down Ogden Avenue and I got over to the second traintrestle.

Along Carroll.

Coming near Carroll Avenue, about a block from Carroll.

Oh Carroll Avenue, I thought you meant.

About 50 feet from us was a restaurant, under-neath the second viaduct coming south.

What time of day or night was it?

b6  
b7C  
b7D

This was at 2:30.

AM or PM?

PM. This was 2:30 PM on the 25th of January and I was affronted by one man that must have been at least 36 to 46. He was sort of a heavy, stocky guy with a cut across his nose and they told me later that the man was [redacted] (ph). Well anyway he says, Hey you.

Who told you later who the man was?

[redacted] from the description I gave him. Well anyway, this fellow he said, he you Nazi and he punched me in the mouth. Well these other youths gathered around me with their sticks and everything and started beating on me, playing taps on my head and everything.

What type of sticks.

They were sticks they had picked up from a vacant lot or something, you know they were picket sticks and so forth.

How many did you say there were?

There were at least about 10 youths and

About what age?

Anywhere from 13 to 17 they ranged. So I took out of there and I didn't want to get massacred and later on I was called a coward by [ ] for running from the guys instead of standing and playing superman and staying there and fighting them.

What do you mean later on. When you returned from work?

When I returned from work. They never said it to my face, but they told each other that. They said Oh [ ] is a coward for running.

Did you return to work that night.

I went directly to work afterward. I had knots all over my face and everything and my face had been swelled out and I had knots all over my back and everything and when I came home in the evening I went home around 11:15.

b6  
b7C  
b7D

Was there an assault report to the police or did you require medical attention.

I never required medical attention. I told [ ] and he didn't do nothing about it.

You yourself told him personally.

They didn't want to get involved no more. They didn't want to know.

By they you mean [ ]

[ ] They didn't want to cause any friction with the neighborhood kids and they said you know well we will let it go by and they did absolutely nothing. They didn't seek revenge or any sort of retaliation and later on it was said so what, who cares if BOOKER got it. Who is he, He is nothing around here.

What reason did they give for not notifying the police or seeking revenge or retaliation?

Well for one thing they just didn't think that much of me like [redacted] or somebody they would have perhaps done something, but with myself they didn't give a damn to use a colloquial expression, about me you know. You know they called me a coward for running and everything and they thought less of me than they did the dog, in fact I was contributing \$15 a week and not getting anything to eat and when I did it was pretty cold.

Do they have more than one dog there?

They just have one dog, TROOPER, is a mixture of German Shepherd and something or another.

This is interesting, about the \$15. Is this a voluntary contribution or was it.

More or less. Well anyway I was giving \$10 a week to begin with and I told [redacted]

You were giving \$10 a week.

\$10 a week for rent and food.

Who did you give this money to?

I gave it to [redacted]

Did he ask or was this voluntary.

Well he asked me, Well you are going to have to give some money, and I said OK and I said how much and he said \$10.

How long did you reside at the [redacted]

I stayed there from a little before September 10th march until the 20th of February and I then left and got my own place, but later on he raised it to \$15 a week because we got into an argument because [redacted] was saying [redacted] never took a bath and that Commander ordered her to take a bath once and well anyway the stories got twisted.

Now who do you mean by [redacted]

[redacted] is her name, Mrs. [redacted] from Woodbridge, New Jersey. She uses the nom du plume of [redacted] a supposed cousin to [redacted] and

b6  
b7C  
b7D

Where is she?

She stays at her

Where is she originally from?

Do people other than you that were staying there contribute money for the support of the building?

The people that have stayed there, like [redacted] he stayed there for about 2 months and he contributed money also for his stay and there were a lot of other people he lets stay for nothing.

What was his name, [redacted] Can you tell us anything about [redacted]

Well he is a good friend of mine, and he was never with the party. He is just a sympathizer for a while and he got disgusted like myself and left.

When did Mr. [redacted] leave?

b6  
b7C  
b7D

He left the same time I did.

Does he reside in Chicago?

Yes he stays with me. We have a place together.

Is he employed also.

Oh yes he is employed also but I don't know the exact place. He is a mover or some sort.

Did Mr. [redacted] also contribute to the support?

Yes, he was also contributing money to stay there, about \$15 a week until he got fed up with conditions also because there was no toilet facilities, there was no heat half the time. They were damn near freezing on that first floor.

Who else stayed in the building besides.

Did you know where he resides?

He stays on the third floor of the headquarters.

Is he a permanent member there.

Yes he is a permanent resident there and he was picketing at the Palmer House for the

He is employed at

well they were on strike.

How recently was that.

Sir, well I saw him picketing last Friday before the march. He repairs elevators and so forth and now he receives unemployment checks and I knows he tells me that he works at day labor too on the side.

Do you know where he resides other than that

That is it. He moved in there.

He stays there on the third floor with whom?

With (ph) who also stays on the second floor.

from De Pere, Wisconsin. They called him

How about this [redacted]

Right.

And these are the people that reside there permanently.

Well [redacted] doesn't reside there any more. [redacted] broke off all relations and everything when he never became a member of the party or anything, he was more or less a motorcycle enthusiast.

And who else resides there permanently?

That covers the others that reside there permanently and there may have been more that have moved in since.

As of the 20th of February this was it.

Well the 20th of February. Well [redacted] was staying there but [redacted] was staying there, but I was told this after.

How did you spell his name?

[redacted] He is a Siciliano.

He is from DePere, Wisconsin?

De Pere, Wisconsin. He was caught in quite a bit of trouble picketing there and everything.

Picketing?

For the Nazis and passing out hate literature.

Is he currently employed.

Not that I know of. I don't know. Cuz [redacted] has a pretty bad past. [redacted] did time with the feds. He did about 12 years you know and he doesn't want to get in

He did big time, for what?

For armed robbery or something, and he doesn't want to get involved.

b6  
b7C  
b7D

Is he still active?

No he is not active at all with the Party.

No, is he active with a gun any more.

I don't know. I didn't ask him any questions or nothing.

Did you participate Saturday the 25th of March in the peace rally.

Yes I did. I did it in retaliation to [ ] and them.

Were you with [ ] there?

I was on the opposite side of [ ] I was with the IWW which is the complete opposite of the Nazis.

Would you identify the IWW?

Well the IWW is the Wobblies. It is a working mans union. They are for one big union, not for one big group or something.

b6  
b7C  
b7D

What do you mean by the Wobblies?

They are for one big union.

Are you currently active in this group.

Yes I am. It is not anything political and all that. They are against the war and all so forth like the rest of the peace movement and so forth.

Prior to the demonstrations Saturday had [ ] made any plans to counteract.

When I was talking to [ ] the Friday before the march.

You mean the 24th?

The 24th. He told me that [ ] and the rest planned to throw eggs and paint at the marchers and he asked me if I was going to be up there and I said no and he asked me if I would join and I said no. He just mentioned that they were going to throw paint and eggs and of course there were eggs thrown and a lot of the Nazis started

grabbing pickets signs from some of the marchers and threw them into the water and they threw some of the pamphlets into the water too.

You did not see this occur.

I did not see this actually occur, but I was told later on that it occurred.

By whom.

By Mr. [redacted] He told me what happened you know. He told me that the Nazis were throwing a couple of the pacifists into the water and their signs too.

What plans do they have for the April 8, 1967, demonstration?

I don't know, they won't tell me now.

For the Witco Chemical Company, for the napalm?

Well I will be there on behalf of the peace movement. Of course I will do everything I can to fight against [redacted] and Nazism and so forth you know.

Do you know of any plans they have to disrupt this?

They wouldn't tell me anything now. Because I am on the bad list. In fact they threatened me with physical harm. During the parade [redacted] started screaming, you traitor, you jew communist traitor and they said we will get you on the street [redacted] Everything. Everytime, we see you on the street we are going to beat your ass, and every time we see you you are going to get it. In fact we are going to come over where you live and get you.

Do they know your current address.

I don't think so. I don't know. [redacted] might have told them and he might not have, [redacted]

Who is [redacted]

[redacted]  
[redacted]  
with his [redacted] They threatened me with physical violence of course, if they ever saw me on the street. Probably he means right out in the open or anything.

b6  
b7C  
b7D

Who is [redacted]

[redacted] I don't believe I know him.

[redacted] Do you know that name.

I don't believe I have ever heard that name.

Have you heard of a [redacted]

Does he reside on Ohio Street.

He stays with the Commander in the camper. He is not a permanent guest there. He is at national headquarters.

Who is [redacted]

[redacted]  
[redacted] You might add that.

How about [redacted]

[redacted] they are the supporters from Dallas, Texas. They contribute heavily to the Party and they raise money for the party.

They send money to Ohio Street?

They send money to the national headquarters.

In what denominations.

Oh I don't know. I have never handled that part. [redacted]

[redacted] used to handle that but he ran off with the money.

[redacted] who?

[redacted] I believe was his name. He was made a Captain in the party because he reversed it where the party owed the Internal Revenue some money and found some loopholes and found where the government owed the party some money instead, and later on he took off with the money.

b6  
b7C  
b7D

I don't quite understand it. The party found loopholes?

[redacted] was real good with books and so forth and he found where it was the opposite way around where the government owes the party money.

Was he a schooled accountant.

He was in the Army. He gets a pension from the Army is all I know. He was an NCO in the Army.

An NCO in the Army. Do you know where he was stationed?

No I never did ask him. I only saw him infrequently.

Does he reside in Chicago.

Mr. [redacted] was in the National headquarters in Arlington and he came up for the September 10, 1967, march into the black neighborhood. He came up there and then I went back to Arlington and later on he left with some money.

Is he on this picture. Do you see him. Is he any one of those.

b6  
b7C  
b7D

Let's see. No I don't think he is. I don't see him.

Where are these [redacted] from. [redacted]

Dallas, Texas.

Have they ever visited the location on Ohio Street.

Oh yes, [redacted] came up and he used the name of [redacted] when he was visiting.

[redacted] that is from an old German name from the pre-Hitler days. He uses a lot of aliases. He uses [redacted] and [redacted] etc. I don't know their address because when I went there with [redacted] and his wife

Who is [redacted]

[redacted] is presently a Lieutenant in the San Francisco headquarters. He is commanding officer there.

What is the other name?

[redacted] They are not with the party any more. [redacted] was kicked out.

Are they from Chicago.

[redacted] was from Camden, New Jersey. He is down in Florida now. He was kicked out of the party.

For what reason.

For drinking and so forth, and plotting to form his own party.

Who was [redacted]

I don't believe I have ever heard the name. It must be a new one.

Who was the largest contributor to the Chicago Office.

It was a guy named [redacted] I don't know his first name. He lives out here in the suburbs someplace. He is a heavy contributor.

Who else contributes?

Well young kids come by and so forth and they contribute. They buy white power Tee shirts and buy hate literature and so forth.

What do they sell the Tee shirts for?

The Tee shirts sell for \$2.00 apiece. [redacted] brings them up. He is a Greek fellow.

Is he from the NSRP?

I don't know if he was with anything else. He was a salesman. He was working with [redacted] for a while as a demonstrator.

b6  
b7C  
b7D

b6  
b7C  
b7D

What do you mean as a demonstrator?

He demonstrates different products and so forth. Pots and pans, he cleans them with some kind of Brillo pad or something and shows

At what location?

This was at the [redacted] It was a real large place. I don't know the exact location because it was when I first come here.

How old a man is [redacted]

[redacted] He is a Chicago resident. His father was a real big [redacted] here or something.

His father was a [redacted]

[redacted]  
Probably in a hot dog stand.

Who else contributes heavily from the Chicago area?

Well that is about it except for the mail that they get in at [redacted] down there. They send out appeals all the time and squeeze the people dry for money until finally it just barely trickles in.

What would be an average contribution?

Oh, an average person would send about \$1 or \$2. One day you might not get anything, the next day you might get \$10 or you might get \$50. It varies, you can never be sure.

And what do they do with the money.

Well they buy food with it, and paint to rebuild the place and try to fix it up, because the building was condemned and so forth, buy cigarettes with it and go to a few movie theaters with it or a show or go over to Tads Steak House to eat.

Are they concerned about the building violations?

Oh yes they are concerned about the building. [ ] sunk a lot of money into it, but it is like a white elephant, sooner or later they will lose it.

Who is their counsel or attorney?

Some elderly gentleman, but I can't think of his name right now. He represented us for a while.

Who retains him. Who gives him the money.

[ ] was giving him the money.

Where does [ ] gather the money from.

From supporters and so forth and from the National Headquarters.

Have you ever heard of a man named [ ]

No I haven't.

From the southwest side.

No I haven't. I know a [ ]

What is [ ] position in the party.

[ ]  
Is he a Chicago resident.

He, yes I suppose you can find that in your records.

How often did you say he frequented the headquarters.

He came around quite often sometimes, and sometimes he would come around once or twice a month.

Have you heard the name [ ]

[ ] Sounds familiar but I do not know. Of course is a pretty common name too. A lot of times people are referred to by their last name.

b6  
b7C  
b7D

How about [redacted]

No, I know [redacted]

Who is [redacted]

Do you know where he lives.

No I don't. There were very few people that I actually knew where they lived.

Have you ever heard of a fellow named [redacted]

No, the only fellow I know is a politician running.

Has he ever picketed your establishment or donated money to it.

Many of these people may have come up when I was not there. They have had the Klan come by. They have had two or three representatives from the KKK Come by.

b6  
b7C  
b7D

What were their names?

I never did get their names.

Does the name CONNIE LYNCH mean anything to you?

Oh yes, the name CONNIE LYNCH is well known. CONNIE LYNCH is with the rightest group. He is with either the NSRP or the Klan.

Does the name [redacted]

No, I know [redacted] though.

Is he still, what is the story on him.

I don't know, he used to come around once in a while.

When was the last time you saw him.

Oh it must have been about last September or October, 1966. I don't think he comes around much.

Did he and [ ] work together at International Harvester?

I don't know, [ ] never did say too much about who worked with him. [ ] used to tell about his job, where he used to get shavings in his hand and so forth and he talked to the other people around there.

Have you ever heard the name [ ]

I know a [ ]

Who is [ ]

[ ]

Have you ever heard the name [ ]

No I haven't.

Did you participate in a demonstration at Kennedy High School.

No I was in a movie theater that night and everybody got arrested that night but me, and I came in and somebody had kicked in the door, stole one of the banners, cut the telephone, ripped down the curtain and splattered the place with eggs.

Who do they suspect of doing this?

Neighborhood kids I imagine. They never did find out. They were, there were never any prints taken or anything.

Are there any students from Kennedy High School that are sympathizers with the ANP?

There are some that come around from different schools but I don't know which because I never handled it myself. Either [ ] handled it or [ ] handled it.

Did you know the names of any people on the southwest side that are very active sympathizers with the ANP.

b6  
b7C  
b7D

No I don't know too much about the city. I don't know what would come around there.

When you were here before they went into Cicero to start a riot.

Right, it was with [ ] They tried to start something. They went in with literature. We tried to hide the literature.

Could you say who went with you?

[ ] and I together, but there were others who came later. [ ] and I want in there to pass out literature and maybe start something.

Did you have a meeting before the march to plan what you would do?

O no, we didn't have a meeting or anything, it was do as you see.

Well what did he say that made you feel as if you were trying to start something.

Well he said let's holler White Power and then he started hollering OGILVIE sucks.

What did he mean by that.

Well he meant OGILVIE committed ?

Who was OGILVIE?

Well OGILVIE was Sheriff at the time and [ ] didn't like him and he thought maybe he could get a rise out of the policemen or something, and he kept saying OGILVIE sucks, OGILVIE sucks. Maybe to start something.

What other thing did he do other than this?

Shout White Power and so forth and Hey Nigger who is that white girl you are with and things like that.

b6  
b7C  
b7D

Did he actually say he wanted to start a riot?

No he didn't. He was too smart to use those words.

Never even privately.

No he never did say anything privately because it was too easy to get caught up in a conspiracy that way. Because that is one thing the party officers are very cautious when it comes to something like that. Like for instance whenever I would volunteer for something, one officer would take me out in the woods and tell me what I was supposed to do or something.

What do you mean, out in the woods?

Well they were afraid the place was bugged, like the headquarters at 6150 Wilson Boulevard in Arlington, Virginia. Captain [ ] got me aside one time.

Captain [ ] where is he from?

He is from Richmond, Virginia, and he got me aside and he asked me if I wanted to volunteer and I said I would volunteer for anything. He said OK and took me out to the woods and showed this Tee shirt to me that said "Stop Black Crime" and it was printed on both sides with a Swastika.

When was this.

This was in the summer of 1965.

He said you are supposed to disrupt the James Reed Memorial Rally at Lafayette Park and handcuff yourself to a tree and he said here are the handcuffs and here is some money.

How much money?

He gave me about \$10 for bail plus bus fare. That is the usual, you forfeit \$10 and you get out. So I went and handcuffed myself to a tree and started hollering back at them and was arrested and of course the party got publicity on that civil rights movement there. That is usually where it begins. Some publicity or something.

b6  
b7C  
b7D

What is the purpose of the Nazi party, what is their ultimate goal.

I guess they want to achieve power. That is their ultimate goal.

How would they achieve it.

They feel this way. That there will be a national depression that people will be out of jobs and that there will be black fighting the whites over the jobs and that there will be riots and they figure that they will step in and lead and this is supposed to takeplace in 1972, and this only gives them 5 more years.

Why that particular date?

Well you have to settle on some particular date instead of having it otherwise, who is going to have faith in you. You have to come to some kind of a date like 1984.

What other people in the Chicago area belong to the Nazi Party other than those who were previously mentioned.

I can't think of any more other than [redacted] he couldn't join because [redacted] he was a sympathizer and there was another kid named [redacted] but I don't know his last name.

How many people would you say are in the ANP in the Chicago area?

Oh I would say there is anywhere from 25 to 50.

Active members?

Supporters, not active members. [redacted] is the only active Storm Trooper and is because the rest are not Storm Troopers.

If for instance I wanted to join the ANP, how would I go about it.

You just go down and ask them you want to be a Storm Trooper, and they give you an application. They charge you a \$10 service fee. If you are a student or unemployed, you pay \$2.50 a month.

b6  
b7C  
b7D

And then would you pay \$10 a month?

\$5 a month and \$2.50 if you are not employed, a wife of a member of a student and you just go down and tell them you want to join and you get it notarized.

What type of questions?

Well they ask if you have ever been convicted of a homosexual act, have you ever worked for the ADL (?) have you ever been with any communist movement, and have you ever worked for the FBI, and that sort of thing, and you notarize it and in that way if you falsify it, well you know that

Who determines whether or not it is falsified?

Well if it is falsified it can mean trouble in the courts.

Well who determines whether or not it is falsified, what means do they use?

Say for instance if you try to infiltrate and say you didn't tell them you were with some group or movement or something and say it got to court. Say you would have to go to court, and you went to court and they swore out a warrant for you, and they would say, look here you said you didn't work with any groups and here you did. b6 b7C b7D

By what means do they check your application.

Well they just give it a brief once-over you know, if you are white, over 18, and an American citizen are the main requirements. They turn over their records to the FBI and let them copy it down and so forth. They work with the FBI and they work out in the open that way.

Do you know a man by the name of

No, I know JOE BOHARNEY, (ph) (BEAUHARIAS).

Taking the sympathizers demonstrations from last summer, do you have any idea what was received from the demonstrations and counter demonstrations in the Chicago area.

What do you mean, in currency or check?

Either

I never saw the money. I saw some of the money. One guy raised \$200 in his neighborhood, with \$5 from each man in his neighborhood.

What neighborhood, do you know where he resides?

No he just came around and he was going to give the money to the party and He heard some of the guys telling dirty jokes and he was with his wife and he got disgusted and he said I am going to return all this money to each one of the neighbors and he walked out, but all the other money I have never seen where it comes from.

Who handles the finances.

[redacted] handled it and there is [redacted] her real name [redacted] those three handle all of it. And of course any letters that come for the Commander are held for him and they give them to him when he comes.

b6  
b7C  
b7D

What is the extent of your education?

My education goes up to 6 years in grammar school. The last place I went to school was in St. John's Parochial School in Charleston in South Carolina.

What is the attitude of the party toward police and law enforcement?

They figure that it is better to work with them rather than to make an enemy and do everything out in the open and try to work with them. In fact in DC, the police are very favorable with the party now. In fact when I was arrested they would come by and shake my hand afterwards. I figure that they would come back in civilian clothes and pick up the literature.

Have you ever been approached by any of the political parties in the city.

I have never had myself anyone come up for aid, but most people shun the Nazis as a political group and do not even want to be associated with them because of the stigmatism.

Is it so that the Nazi party is looking for a location for a book store on the southwest side.

I didn't get any word on that but I was never told of that. I heard that they have the first floor fixed up pretty nice. They can't sell literature they receive contributions as they call it for it.

Why do they call it contributions.

Because you have to have a permit to sell. You have to meet certain requirements on the building statute.

Would they be able to avoid the building tax?

Well partly and also they didn't get a permit, they wouldn't get a permit if they went to City Hall.

Whose idea was it to change the name.

The National Socialist White People's Party. Commander ROCKWELL said it would be better to change it to the NSWPP on the first of this year because the name Nazi made them shun away where this other name white people makes it sound like the white peoples party. They avoid using the swastika as much. They claim it a symbol of the white race now.

b6  
b7C  
b7D

Do you mean that the uniform with the Swastika on it is not going to be used anymore.

Well they are going to use less and less the Khaki uniform and they are going to sell more the Tee shirts with White Power on them in red letters with a red swastika to get away from the militant.

Do you know where these Tee shirts are printed at.

They are made on the first floor at 1314 West Ohio Street on a table in the back. I helped make quite a few of them myself.

How about the Iron crosses.

These iron crosses come from Dallas, Texas, these pins and cuff links and so forth. They are sent up here by

Could you tell us about

[REDACTED]

Do the [REDACTED] live in Chicago.

Yes they do. They use to come around for a long time and then they haven't come around lately. [REDACTED]

[REDACTED]

What could you tell us about [REDACTED]

[REDACTED]

Does he own the property on Ohio Street?

I don't know who owns the property. I have never heard that. That has been a big secret. I wonder if [REDACTED] [REDACTED] could be an alias for [REDACTED] I wonder if that could be his real name, [REDACTED] I believe I have heard that name mentioned but I have never seen the name. It is the other names I haven't seen before. Probably they could be contributors.

b6  
b7C  
b7D

Why do you say that, people who contribute.

Well sometimes, they contribute money to the property. These might be names from the people who contribute. All these other names I don't really recall off hand. A lot of them use aliases too.

I am going to show you a picture that was printed on page 10 of the Chicago Sun Times on Saturday the 10th of September, 1966. Could you identify this party for me?

That myself is myself. I was not supposed to say anything and make like a Hell's Angel so they could sort of tie some of the Hell's Angels in with the Nazi Party and perhaps win some of their people over. I was supposed to go into the court room with another guy by the name of [REDACTED] LNU. Well anyway they used to call him [REDACTED] and

I went in and with this vest on and so forth. with this iron cross that I borrowed from [ ] and I went into the court room and I sat there in the front and of course I took my helmet off because we had to take all headgear off.

Where was the court.

This was the Federal Building over here?

What was the case being heard.

It was with the Commander. something to do with [ ] [ ] They call him [ ] and some other people from the Jewish War Veterans were there and I was told not to say anything at all. They started taking pictures of me instead of ROCKWELL.

Did ROCKWELL deliberately go over to Sheriff OGILVIE's office to get arrested, was that pre-arranged?

He never did speak about such a thing to such a low ranking person as myself since I was only a NCO. The way I heard it was he went in and said my name is GEORGE LINCOLN ROCKWELL and OGILVIE was supposed to have said, Did you call for the Press, and then he said you are under arrest. In fact ROCKWELL was given a tape by a newsman and this tape was given to ROCKWELL. The car stopped in front of the headquarters in the middle of the street and ROCKWELL went over to the car and got the tape from him. Some newspaperman or something and the car drove off. ROCKWELL had the tape of what was said at Sheriff's office.

b6  
b7C  
b7D

Had any plans been formulated to demonstrate should this case be held in court.

I don't know of any plans since I am no longer a member of the party and I am on the outs with them.

This [ ] the people that reside there. Do they all sleep with her or.

Oh [ ] is the only one that I know of. I have heard other talk about how they have gotten a lay from her and so forth, in fact, there is sort of a rumor going around that she went to New Jersey to have a baby by him,

[redacted] and I got a letter from her while I was in New York but she never said anything. In fact [redacted] told me that she did have a baby by him and that he gave it up for adoption and that I better not open my mouth about it. [redacted] was the only other one he ever told about this.

Does [redacted] sleep with her also?

No. Well [redacted] said he got a piece from her once. He said he got some from her.

Where is he at now?

He is working with a construction firm someplace now, I don't know. He just called one day and said he had a job and was supposed to get married to some girl named [redacted] in the Chicago area and I heard now that [redacted] is supposed to be pregnant again by [redacted]

Maybe that is the reason you left?

No, I wouldn't mess with her. In fact I wouldn't sleep with an animal like that. She stinks. She smells so bad she smells like a dead rat.

b6  
b7C  
b7D

So [redacted] was the only one that you know of and this [redacted] you mentioned.

[redacted] said he had sexual intercourse with her once.

One time.

Just once.

I thought he looked awful skinny.

Well he was pretty skinny. I could have probably have taken advantage of having that whore but I had a little more honor than messing with some animal like that. Besides she hated me anyway. I never did like what she did. She was domineering and would get on all the guys' backs and would try to give orders and would just be impossible to live with.

Have you seen her children?

I saw her daughter [ ] She had her up there for a little while with her last year until about November or December, and she took her little girl back to Woodbridge, New Jersey, this was by her husband. The little girl is about 2 or 3 years old.

What is her husband's name?

I don't know her husband's name. She never talked about him except with contempt. She calls him a weakling. She claims that she is divorced but she is not. It is a known fact around here because if she was [ ] would have married her.

Did she say for how long she was married?

She never did say too much except when I first came there. She mentioned that she worked in circuses and was a gypsy and all that.

Did she say what she did.

She said she worked with it I guess. She was some guy's woman or something.

b6  
b7C  
b7D

Some guy was (unintelligible) her?

Probably, I don't know.

Probably one of the elephants.

Or one of the donkeys I guess. It would take something like that. The filthy thing that she was. She didn't even take a bath. She was just absolutely filthy and of course she is getting wider when I first met her she seemed like a pretty nice girl.

Is this why you expect she is pregnant.

Well she is getting wider and her stomach sort of goes upward, it has been rumored that she is PG in fact, [ ] said that he has been using (?) on her. Infact when I went in his room, you could find several on the floor.

Did he reuse them or what?

No he just didn't bother throwing them out. He was real sloppy. One day I gave him about 6 candy bars and he ate about 2 or 3 of them and he passed out in his sleep and he woke up and he was just covered with chocolate that melted all over.

That must have been a sight, maybe you thought he was a Negro.

One time he let the dog sleep in his bed and one day he went out and rolled around in some dog manure and the dog got into bed with him and when he woke up he was just covered with dog crap.

Well if you say she has such a distinct body odor maybe he thought it was [redacted]

Well he said that it was some sort of a sore or a cyst she had in her vagina that caused the odor. It was really vile.

Did he tell you his father was a member of the Nazi Party?

b6  
b7C  
b7D

In Croatia, [redacted] father was with the UTAS, which is the Croatian branch of the National Socialist Party and he was executed. The name was changed from [redacted] spelled with an accent over the C and the H was added later. His uncle was called the hanging judge.

What year was this?

This was in the 40s.

Why did they call his uncle the hanging judge.

Because he used to hang a lot of people. Of course [redacted] mother stays over here. She is over here now. It is in the telephone book.

What is his mother's first name?

I don't know.

Does she frequent

Oh she never comes around. He goes over to see her like on Christmas and times like that. Her name never gets involved in it. He has showed me pictures of him and his mother and father.

Do you know what part of the city she lives in, north south, east, west?

No, I don't know that much about the city. His father was executed by communist jews in Croatia supposedly.

What about 1314 Ohio?

They are trying to hang on to it. They are getting continuances in their case.

When is their case continued to now?

I don't know, they were supposed to move out January 10, 1967, but they got a continuance and I was not that much interested so I didn't ask. One time he said that [redacted] is more of a Nazi than you are. So I started getting disillusioned. Especially when I was the only one that had enough heart to break up a demonstration. Especially when they could have gotten MARTIN LUTHER KING when he was leading his parade. They were right on the sidelines. They could have run right up and gotten hold of him.

b6  
b7C  
b7D

Did they ever plan this or talk about assassinating the President.

Well one time the commander did say that anyone who kills MARTIN LUTHER KING or COON should get the gold medal of ADOLPH HITLER, but we couldn't get involved, this was in 1965.

What type of weapons do they have.

At headquarters here. They have a .44 magnum revolver. [redacted] has a .25 revolver.

Does she carry this on her person.

She did, but I don't know if she still does. I think it is a black or silver semi-automatic. She took it out of her purse and I showed her how to operate it and the safeties and I asked her if she wanted me to show her how to clean it and break it down. It looked like a new

gun that belonged to her father. Her father and mother are both dead, for quite a while. They had a semi-automatic rifle that looked like a machine gun that fired .45 caliber ammunition that was bought by [redacted]. The revolver was also owned by [redacted]. That was back in September, 1966. I believe the .44 magnum, a German mauser rifle, which was seized by the authorities when they raided it last year and of course the thing that looks like a machine gun, but there was a .32 revolver that [redacted] would have up there. It was a real antique Iver Johnson nickel plated and kept in a short holster and that was taken. But the .44 magnum was hidden and they didn't take that. They have a pump shotgun and for a while they had it there, but it was taken back by its owner, but I don't know who it was or what he looked like.

When they participated in these demonstrations and counter-demonstrations do they bring these weapons with them.

Oh no, they never take as much as a fingernail file.

Do they keep these revolvers in any particular place in the house.

He kept the revolver hanging from the holster on the end of his bed, that would be the third floor rear. The .25 caliber, I don't know where they keep that. The other weapons were kept on the third floor rear apartment.

b6  
b7C  
b7D

Why do they say they have the weapons there.

For defense purposes in case they are attacked within the confines of the building.

What do you know of the NSRP?

The only thing that I know is that [redacted] works with them and also works with the Nazis. They have a place somewhere on Western Avenue. I have never been up there. In fact I never really cared for them.

Have you ever heard the name [redacted]

No I cannot recall that name. Some people are known by their first name some by their last.

You said you knew [redacted]

I did but it was such a long time ago I couldn't recall him. I do not know where he lives. [redacted] used to come around. A man by the name of [redacted]

Is he a member of the NSRP.

I don't know.

When you people had these demonstrations in the Negro last summer did Mr. [redacted] solicit the aid of the NSRP.

The only time I know of when they had a joint function is when they picketed this church up on Ashland near Van Buren.

When MARTIN LUTHER KING appeared.

It might have been then.

What are the different philosophies between the Nazis and the NSRP.

b6  
b7C  
b7D

None really except that one uses the Swastika.

Is this why they originally separated?

Well ROCKWELL was originally from the NSRP. KALE was with the National Renaissance Party. Major MATTHIAS KALE from Milwaukee. His parents were both in the Bund during the 30s. The National Renaissance Party, the KKK, the NSRP, the American States Rights Party and the ANP are very similar except that the Nazis use the word HITLER and so forth and use Swastikas otherwise they are so close.

Of the groups you mentioned who has the most membership?

The Klan, there are 10 different Klans. In the Chicago area there are some active members in the Klan but they don't come out in the open and picket. I have seen three of them myself but it has been said that there are about 50 in the whole state at the headquarters. This was last year in November, 1966. There is probably more than that.

To your knowledge did any of them participate in the march that you had.

There were some in there. But they didn't make any reference to the Klan. It was strictly ROCKWELL's march they were going along as white people. They were given orders not to say anything by [ ] and not to cash in on the publicity. They have some sort of an agreement going, for instance if they have a Klan meeting with a Nazi speaker they don't pass out Nazi literature.

At the meetings they have how many people would be at an average meeting?

Well they never actually called it a meeting they called it a get together because a meeting in that place would be illegal. They called it a get together, with about 5 or 6 people. b6 b7C b7D

How are these meetings arranged?

Oh no, people just come up, generally on Sunday night, and sit around and BS and drink coffee. It is understood it is usually late on Sunday evening. [ ] came up and was walking all over the place. In fact it would be very easy for anyone to come up and go through the files.

Who is [ ]

He is the newspaper reporter for the "American". It would be very easy for instance for a person to come up. You don't even have to become a member. You could donate food a little and come on in and pretty soon [ ] will leave you in charge, in your hands, and you could go through files or anything.

What floor are the files kept on?

They are kept on the third floor rear, in the middle room between the latrine and his bedroom facing the east side.

Where is the dog kept?

The dog is all over the place. He is not vicious except when he sees a police uniform, because he has been arrested about 8 times along with the party.

The dog has been arrested?

Oh yes they have put him in the pound and he hates blue uniforms or real dark clothes. He relates with the police. In fact he is not prejudiced against colored, he is only prejudiced against a blue uniform or a badge and he will start barking.

Maybe it would be a good idea for the Nazis to change their uniforms to blue.

He is usually a good natured mutt.

From your association with these people do you think they are serious in their ultimate motive?

Well they have to be fanatics to go along with their program.

Are they sincere about it.

Some of them are and some of them are there just for the glory and the medals and what they can steal. Like [redacted] is really sincere. In fact he has a real strong hate. He is motivated by hate and ROCKWELL, he would have to be sincere. He had 19 years in the Navy as a full commander. He was a fighter pilot during the war. He would really have to be sincere to give up all that.

Do you know why he gave it up.

Well he would practically have to give it up. Because when he was head of a reserve unit he was told that he better accept a discharge and he gave it up and I think it is too late for him to get out now even if he wanted to. It would be like telling someone your name is ADOLPH HITLER and you wouldn't get a job anywhere.

How could he be reached?, through money? Do you think he would sell himself.

b6  
b7C  
b7D

No I don't think there is that much money.

Is he salaried, how does he meet

He speaks at colleges and gets his money from college speeches.

How much money does he get?

Oh he might get anywhere from \$20 to \$500 depending on the area and who arranges, and how he has to travel.

Who arranges his itinerary.

The students, all get together and raise money.

Do they write to him.

The students write to him and request his appearance and they get it cleared with the school authorities, and he makes speeches like up at Antioch or Great BYU.

b6  
b7C  
b7D

If mail is received at Ohio Street, your PO Box addressed to him where does it go?

Well, if it is addressed to him, it is held until he gets here.

It is held all year.

It is held until he gets here with the camper, which is also owned by the Dallas group.

And how often is this.

It could be maybe next week or next month maybe two months, you never know.

Are you forewarned of his arrival.

Oh yes, we get a telephone call or something that tells he is coming and everything gets shipshape and they start cleaning everything up, bring out the garbage and all and everybody gets ready to make their brownie points with him and get around and lick his hand and so forth.

About how many members would you say they have nationwide?

Nationwide, I would say about 2,000 no more than that, really, because a lot of people drop out.

2,000 active members?

Supporters. There is only about, [redacted] is the only Storm Trooper here. There are about 3 or 4 in San Francisco, and about 2 or 3 in El Monte near Los Angeles, there is about no more than 6 in Arlington and there are about 5 or 6 in Dallas which are part time groups.

There are 6 permanent people in Arlington?

There is usually about 6. There is Major KALE, there is [redacted] and then there is [redacted]

He was a member of the [redacted] or with this country.

This country. He is a little too young for the [redacted] And then there is [redacted]

and then in Arlington there is [redacted] MATT KALE, [redacted] and then they have maybe 2 or 3 guys who come in and drop off and fluctuate. Like they had [redacted] (?) for several years until he ran off with party funds.

About how much money?

They found a \$250 discrepancy in one month's receipts alone. His parents were giving him a lot of money and he was getting \$35 a day for food to buy for the troops and usually you would wind up with beans and rice and things like that, staple food.

Where did his parents live that they were giving him this type of money.

They were supposed to be living in DC, Washington District.

What kind of work did they do.

I don't know. He never said nothing about his parents.

How does one become a trooper?

You go on a 90 day probation, you sign an application and get it notarized and you are on probation for 90 days. They see whether you are material or not. If you can stick it out you are material. Then you are sworn in as a Storm Trooper. People have to say whether they are for or against you and if they have to, whatever they have to say at the Sunday night meeting at Arlington and then you are duly sworn in and irrevocably pledged to stay with the commander and all that sort of good stuff and you may take a drink or smoke and all that kind of stuff.

No smoking or drinking?

You have to give up one or the other, especially if you are an alcoholic.

Are there any habitual alcoholics?

They couldn't very well be if they were in the top echelon because they would just never make a go of it. They have had alcoholics in the Party, but you know all officers have to take a drink. Officers are not allowed to take a drink and if they do they are kicked out like [redacted] was and old man [redacted] Warrant Officer. [redacted] was kicked out for drinking heavy. They told him to go off and drink if he was going to drink.

b6

b7C

b7D

What is the promotion of Troopers and what would be next.

No insignia at all when you are a probationary trooper. When you become a Storm Trooper you are given a black badge for the collar, one for each collar and then there is Troop Leader which is one red stripe on the badge, then there is group leader with two red stripes on the badge and storm leader with 3 red stripes on the badge. Then there are warrant officers ranks but we have never really been quite sure what that is, it is either a red stripe on a white badge, or a white stripe on a red badge, they have never been able to make up their minds. Then they have a gold bar for lieutenant. Then they have a silver bar for first lieutenant, two silver bars for captain, a gold oak leaf cluster for major and a silver oak leaf for lieutenant colonel which has only been [redacted] [redacted] who might be coming back to the party.

Where does he live?

Houston, Texas, [redacted], Dallas, Texas.

Where is the most active branch?

Chicago is the thing now.

Why.

Because of the summer activities like last year. I remember, I mean they are really going to go out and organize this summer. They are going to have a white guard and organize people and teach them how to shoot weapons in defense of their homes and they will be organizing things door to door soliciting this summer. They will get permits to solicit and they will go door to door, from everybody, getting money from the party.

Are they doing this.

Not yet, they are preparing for it, [redacted] will probably be in charge of that. They will organize the people and everything and marches of groups which will be opposing

b6  
b7C  
b7D

In any particular neighborhood.

In the Gage Park area, they will work something out like last year.

Would this be their ultimate goal here.

That is their goal to see the people organize here.

Would they like to see an uprising between the white and Negro people?

Among themselves they would, but they wouldn't advocate this publicly. Of course they say the best thing that ever happened would be if [redacted] got elected because they said the white people would rise up and start shooting niggers on the street. Of course this is not advocated openly just like gassing all jew communist traitors. They don't advocate that openly but among themselves you know, they say different than what they say outside. They say they will give them a fair trial

and then hang them. Of course none of these things are ever actually said in the open. They could never be used as evidence or anything.

Are there any plans for bringing the Nazi people from the other states to Chicago.

They will probably send Troopers in from El Monte, San Francisco and Dallas and Arlington would send them in to these headquarters in the summer.

About how many people would that be?

As many as they could spare.

About how many.

It all depends on how many they need down there. I don't know. They have to keep so many at Arlington to keep that going. They have to keep somebody at the other places to keep them going. They have to keep a skeleton group. They will probably have a little activity in California too.

b6  
b7C  
b7D

Who pays for their transportation when they come, the Chicago headquarters?

Their own headquarters or maybe they are hitchhiking or something to pay their own way, depending on what the case may be.

What would they have planned in California?

Berkeley and so forth, you know they will raise hell out there, at the university. That is where your activity takes place anyway.

What at first attracted you to the Nazi Party?

I guess it was the uniform really. It was really hard to say. I heard about the 300,000 black people marching on DC and I was going to New York anyway to stay with this woman from Barbados who is half white and half colored, that is sort of against party regulations and I was on my way so I decided to stop off and see this march. Well I heard about the Nazis and I heard they were in Arlington so I decided to stop off and see them also and I was not intending on joining or anything and I was about the 87th guy to join there. I went in and

shook hands with ROCKWELL and so forth, and they

b6  
b7C  
b7D

 Why did you join that?

Because it represents the working people. It represents the little man against the system of exploitation and I would be able to be with working people like myself who are not nationalists or rightists or anything and so they said they were going to have a parade against the war in Viet Nam. well I have a brother over there now, [redacted] he is a lieutenant in the Army, he went to the [redacted]

[redacted] Of course the party didn't like that very much. They called him a race mixer and everything and I figured they might as well join in this march because my brother is over there and everything and he could very well get it too.

What Party didn't like this very well.

b6  
b7C  
b7D

The Nazi party because he was married to a Philippino girl.

Did they mention this to you or did he have some affiliation.

Oh he had no affiliation at all, he was anti-Nazi, and anti-communist and everything else and they tried to send him literature and so forth and tried to mess him up and send him a post card and they were putting swastikas all over it and he would get in trouble with Army intelligence. They tried to talk me into going against him, but then I joined this parade and I put on fatigues because I figured it would be good to show someone in there who wasn't a little weakling or a freak with long hair and all. Somebody they thought looked like a man instead, like a working man, who represented something besides a group of weaklings. And when [redacted] saw this he blew his top. You know [redacted] said hey look there's [redacted] He was absolutely stunned you know his eyeballs, in fact if they had springs they would have come out of his head, and he started threatening me and calling me a traitor and so forth. He said this and I thought well I might as well come out that much stronger against him, so I called over and turned off his electricity on the second floor because that was in my name and at first I wasn't going to do anything. I was going to leave it in my name. I wasn't going to be that dirty but when he started playing dirty pool then I started playing dirty

pool back with him and I got the deposit back because it was mine anyway, that paid for their electricity. In fact if I could shut it off on the third floor too I would but it is not under my name.

Have you ever heard of any other member of the ANP who has decided to walk out and leave with any retaliation against them?

No, nobody else ever does. Except [redacted] and he wrote an article for the American supplement why he quit the ANP. Perhaps I could write something equal to it I know. Because he was only with the party about a month or two but I was with the party for 3 years. I could give a lot more and discourage other kids from joining and getting entrapped like I did, and get caught up in something and you can't really leave and you don't have the money. Where can you go, who is going to hire you. You can't go in the immediate vicinity because they know you. You know. You know I want to keep others from falling into the same trap that I did, and perhaps I could write an article and use my name. I am not ashamed to use it. Maybe it would discourage others from falling into the same pit that I did.

Do they actively recruit students in the high schools here?

They pass out literature and everything and that at any school.

Do they concentrate on any particular area in the city.

No they go anywhere. The people come and join on their own sometimes.

How is the response then when they have been at a school?

Well they might get 10 or 12 letters, some favorable, some cursing them, some anonymous and so forth.

Do you recall reading in the newspaper about a lad at Waller High School who brought a carbine in the school about a week ago?

Yes and he shot up the place, [redacted] or something. The face seemed familiar. I don't remember the name, but his face seemed familiar like I might have seen him

previously at one time around there. I don't remember the name, like I could remember the guy. I heard where he shot up the place. I guess the other kids were on him and everything. When a person gets involved in this sort of thing they don't know what they are getting into. They could perhaps get themselves killed or perhaps 10 or 20 years in jail, for a lot of activity.

Where is the IWW located?

It is at 2242 North Halsted.

Who is the boss there?

CARL KELLER is the president an elderly gentleman. I have told most of these people up there my past you know and I said well it looks like I have gained a lot of enemies from old friends but he said you have got a lot of new friends too and a lot of people who are against Nazism. They don't get involved politically or anything because I don't care to have anything to do with politics. To me it is like a dirty word.

Have you ever heard the name [redacted] mentioned in the Nazi Party?

This rings a bell but it is very brief.

b6  
b7C  
b7D

He is the Assistant Corporation Counsel for the city.

I have heard OGILVIE mentioned around there and some judge came by. They claimed that the judge came by and stole the party log book.

Mr. [redacted] for most of the cases the Nazis have had and I was just wondering

I have heard the name previously mentioned but I haven't been getting too deep in their conversations and they would usually, well. We beat the hell out of them in court today, they would usually say something like that. I started losing interest, they didn't like that one bit.

The interrogation of the subject was on the 31st of March, 1967 by Sergeant [redacted] of the Human Relations Division and Detective [redacted] of the Intelligence Division. The interview started at approximately 11:10 hours and was ended at approximately 13:35 hours.

FROM : SA AUGUST C. KEMPF

SUBJECT: NATIONAL STATES RIGHTS PARTY  
RM (ORGANIZATION)

Re memo of SA [redacted] dated 2/21/67 reflecting information disseminated to designated copies regarding possible NSRP affiliation on part of designated individuals. b6 b7C

On April 25, 1967, [redacted] Riverside, Illinois, advised that over a year ago, he and several of his friends subscribed to the National States Rights Party (NSRP) newspaper and bought a year's subscription to this paper. With this subscription they received a Party button with a thunderbolt on it and a subscription to the paper which was delivered for one year. He stated they did this as a "fad" and had no political motivations nor did they subscribe to the beliefs of the NSRP. When the subscription to the newspaper expired, it was not renewed and no further contact was had with the NSRP. At no time did he become a member of this organization or attend any meetings. He stated to the best of his knowledge, none of his associates took this matter seriously and all participated in forwarding their subscriptions and receiving the paper as a "kick" with no serious motivation.

RACIAL MATTER (ORGANIZATION)

The first source, who has furnished insufficient information on which to determine his reliability, but who is in a position to know some of the activities of the National States Rights Party (NSRP) in Chicago's western suburbs, advised on February 16, 1967, that [redacted] Brookfield, Illinois, and Richard Larsen, Cicero, Illinois, during November, 1966, had in their possession a red NSRP button with a "thunderbolt" inscribed upon it, as well as certain NSRP literature.

Characterizations of the NSRP, Chicago and National, are attached as appendix pages to this memorandum. Sources utilized in describing these organizations have furnished reliable information in the past.

A second source, who has furnished reliable information in the past, and who has been acquainted with the activities of the NSRP in Chicago since the summer of 1966, was contacted during February and April, 1967, at which time he possessed no information to indicate that the above individuals were members of the NSRP, Chicago Branch, and could not recall that they ever attended a meeting of the NSRP in Chicago.

On April 25, 1967, [redacted] Riverside, Illinois, advised [redacted] that over a year ago he, [redacted] with others, subscribed to the NSRP Newspaper and with the subscription, received an NSRP party button with a thunderbolt on it. Later that evening the ALAN DOUGLAS Show was heard over WKYC - radio Cleveland. This program commenced at 11:05 p.m., April 17, 1967, and was concluded at 1:00 a.m., April 18, 1967.

The ALAN DOUGLAS Show is a panel type discussion program which presents controversial matter type programs. ALAN DOUGLAS acts as a moderator and usually has two or three experts from a particular field expound a certain controversial subject with another group of one or two [ ]

individuals acting on the opposite view. However, in this case it was evident that ALAN DOUGLAS was not only the moderator of the program but took the opposite view from that of the NSRP. This program followed the usual format of having individuals telephone the station directly or send telegrams to express their views and ask the panelists various questions. This phase of the program is usually the last thirty minutes of the program, as was the case during the NSRP program.

At the inception of the program CHARLES O. FARRIS was introduced as the Chairman of Chapter 49 of the NSRP, Cleveland, and M. MARTIN BARRETT was introduced as the Midwest Coordinator of the NSRP, Chicago, Illinois. In addition, a Mr. NELSON LUCKY (phonetic) was the third member of the NSRP panel who was introduced solely as a member of Chapter 49, NSRP, Cleveland.

During the early part of the program FARRIS was asked by DOUGLAS to give an estimate of the number of people in the NSRP, as well as their names. FARRIS replied that he was not permitted to give the number of people in the NSRP nationally or locally but that the NSRP is the "strongest right wing group" and then pointed out that the NSRP is "stronger than the klan."

Following FARRIS' remarks the platform of the NSRP was given by DOUGLAS with comments usually from FARRIS

on each particular item. In general it was agreed by FARRIS that the NSRP advocates <sup>the white American</sup> ~~the~~ white American, with white supremacy; expounds the eventual total segregation of the white race from the Negro and the Jew; the opposition of race mixing between all races and organizations and finally a program whereby all Negroes in the United States would be sent to a country of their choice in Africa and all Jews sent to Israel.

FARRIS and BARRETT during the program continually pointed out that the NSRP is not <sup>radical (D.C.M.)</sup> ~~eratic~~ in nature nor do they advocate violence. FARRIS also denied any relationship between the NSRP and any klan organizations.

Throughout the program FARRIS and BARRETT maintained that they did not consider violence as a solution to the Negro problem.

It was noted that the third member of the NSRP panel, NELSON LUCKY, did not actively participate in the discussion and it appeared that he was not well versed on the subject matter by the few comments that he did make.

Following the regular panel discussion the program was thrown open to telephone calls and telegrams from the listening public. None of the callers or telegram writers were favorably impressed by the appearance of the NSRP or what they advocate. The majority of them openly indicated that the members of the NSRP were plainly "ignorant" as well as un-American.

b6  
b7C  
b7D

Throughout the program ALAN DOUGLAS continually "tore up" any discussion by the NSRP panel members and for the most part made them look very bad. In general the selection of these three NSRP representatives was very poor and their appearance did more to harm the NSRP movement than it did to help their program. The publicity that they received throughout this particular program was adverse to their motivation for appearing on the program and the sampling of the numerous individuals who called the program and wrote telegrams to the program would indicate that there is little interest in the NSRP movement.

NATIONAL STATES RIGHTS PARTY  
(NSRP)

The May, 1967, issue, No. 89, of "The Thunderbolt", self-described as "the official White Racial Organ of the National States Rights Party", a characterization of which appears in the Appendix, contains a letter to the Editors on Page 6 signed Court Asher, 811 West North Street, St. Marys, Ohio, in which the author claims that forcing integration will never be accepted or obeyed nor would Asher's children be permitted to mingle with or exposed to Negroes. The letter also makes disparaging remarks against national officials of the Jewish faith. In a letter to the Editors, John Drazza, Route 2, Box 39, Westville, Florida, submitted comments regarding the treatment of the Negro race in the United States in regard to welfare and the recent decisions of the U. S. Supreme Court regarding Negroes. The letter sets out that due to the election of liberal public officials, the "white man has been relegated to a second class citizenship".

On Page 8 an article appeared in which it was stated that Martin Barrett, described as NSRP leader in Chicago, Illinois, spoke for two hours on the radio in Cleveland, Ohio.

This same page disclosed that Dr. Fields has met at New Orleans, Louisiana, with Anthony Cirabelo and Mr. Glover. Page 9 contains a photograph of Glover, Cirabelo and Fields together in a group picture.

Mr. E. S. Courley, Greensboro, North Carolina, as reflected on Page 8, has announced that Jesse B. Stoner will speak before their local chapter in May. The article also indicates that Mr. and Mrs. Glenn Farrell of Durham, North Carolina, will be on hand. On the same page it was reflected that J. B. Stoner had just returned from Plant City, Florida, where he had spoken to a group. This same article noted that Chicago, Illinois, has been set for the forthcoming midwest conference of the NSRP to be held the third week in June.

The article continued by pointing out that on April 15, 1967, Dr. Fields spoke to a crowd in Dayton, Ohio, and on April 16, 1967, Dr. Fields and R. D. Eldridge, described as National Organizer, spoke at a meeting of the Middletown, Ohio, chapter which chapter is led by Thomas Ross.

At the bottom of Page 8 there was an announcement that the NSRP 1967 National Convention is scheduled to be held in Jacksonville, Florida, August 25, 26 and 27, 1967.

Page 9 contains a group photograph of R. D. Eldridge, Farris and Fields while the same page has a photograph of Thomas Ross giving a speech at Middletown, Ohio, during Dr. Fields visit to that city.

Gentleman;

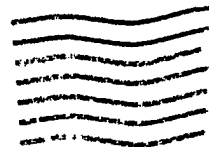

The enclosed letter has been sent to every chapter of your organization in the U.S. Perhaps one man among you has enough sagacity to encourage putting this into operation.

With 30,000 members in your organization and 30,000 in another organization it would not take long for two organizations to take complete control.

Is not your objective the obtaining control of political policy???

b6  
b7C  
b7D

Stickney, Ill. 60405

Monroe, Louisiana

The Jew is my shepherd, and I will work in the fields of his empire and retain no gain, for he is the Lord and master of our economic system.

In most every area of our lives, the Jew holds some influential position. He holds these positions because he has gained control of our wealth. He has gained control of our wealth over a period of a few years in a very simple procedure. He has done this as individuals and as groups.

He has become landlord of a good portion of real estate by the simple method of buying that property. He set his target of controlling our economic system and has accomplished this feat by the same simple method. He has purchased 51% of the outstanding number of shares of a particular corporation. In cases where he has been unable to purchase 51%, he has purchased a quantity of shares that permits his vote in that corporation's policy to be effective.

We must admit three facts: (1) He does control our economic system and his voice is influential in our country. (2) He has collaborated with other Jews in this endeavor. (3) He has succeeded.

If we hope to rid our country of Niggers and Jews, then we must admit that it is going to require a great deal more money than an occasional \$10.00 donation from a few thousand people. It is going to require a considerable sum to put men in office throughout the nation that will follow our policy plus enough left over to build the ships that will transport the Niggers and Jews out of here.

Now is the time for all White Men to come to the aid of their party. N.S.R.P. members, we must mutually, obviously agree that we are in desperate need of two objectives: (1) We need money now and in the future in much greater quantities than donations can provide. (2) We need policy influence.

White Men, we must work together. There is no source of income great enough to meet our needs or reliable enough to achieve our goals except to purchase large amounts of stock in all of the great corporations in America. There is no method of acquiring political control of government or the corporations until we become owners of a large portion of our economy.

Some of you may state that this cannot be done, but let me remind you that the Jewish population has been and still is much smaller than we are, and if we admit that they can accomplish that which we cannot, then we admit that the Jew is superior! If you admit this, then why are you a member?

Members, I suggest that each Chapter form a mutual investment group. Each member will donate the amount of the price of the stock that your chapter has agreed to purchase. Your chapter will then buy that number of shares in that corporation.

The dividends or proceeds that are received will then be given to the National Headquarters of the N.S.R.P. At designated intervals, such as every three months or every six months, each member of each chapter will be required to donate enough to buy one more share. This process will continue until the world is once again owned and controlled by the White People who have built this civilized society in which we live.

The more money that becomes available, as more stock each year is acquired, the greater amount of work our organization can proceed to do toward complete separation. The more money available the greater number of local government officers can be elected. As the number of the mass of White People will be willing to share their racial view in public, the greater number of members we will acquire, as they will be prone to joining the winning team. The greater the number in our team, the quicker the control and ownership of our world will become a reality.
